research paper undergraduate from the year 2006 in the subject business economics offline marketing and online marketing grade 1 0 western carolina university course marketing management mature consumers language english abstract wal mart the largest retail company in the world specializes in the operation of mass merchandising and supermarket stores the company operates through three segments namely the wal mart stores sam s club and the international segments in asia europe and south america wal mart is headquartered in

bentonville arkansas wal mart recorded total revenues of 287.9 billion during the fiscal year ended january 2005 an increase of 11.3 over fiscal 2004 the company recorded a net income of 10.2 billion in fiscal 2005 an increase of 13.4 over 2004 there are several issues that impresses me about this company and of course some that i find unimpressive first of all a question that i asked myself for so many times was how could it be that it is so easy to get in but so hard to get out i can imagine that ever since they built a super walmart here in cullowhee the place has really livened up i can not tell how it was before i just spent a year in cullowhee as an international student i mean where else can a guy go at 2 o clock in the afternoon and find more people than there are open registers it is literally amazing to me for the simple fact that every experience is a new one you walk in and there is just as much hustle and bustle as santa s workshop or hugh s mansion so you grab a cart and immediately jump in the fast lane not a good move in my opinion once i had a fender bender with an elderly woman she rammed into the back of my leg in a motorized cart and before i could say excuse me she said that s how people get run over but as usual i kept on truckin and the first place i go is to the toiletries section i always go there first because no matter what you always need something from that point on you are infected with the wal mart virus this infection deteriorates the bankbook and can result in permanent financial trauma my advice is to practice safe wal mart spending and bring somebody who has no money the worst part of the whole experience comes upon exiting the building when you have to pass the security checkpoint at the door wearing a rubber glove i really hate this part because it makes you feel like you did steal something the person politely asks for your receipt and looks at it to make sure you got everything what are they going to do look at it and say excuse me sir are you aware that you stole this
