following independence from their respective colonial regimes seventeen african countries adopted french as their national language this
 political move has had a number of consequences both positive and negative leading to the central question of this book was the adoption of
 french as their national language a blessing or a curse for these countries is francophonie a symbol of unity a means of networking for french

speakers in a globalised world offering a sense of belonging through linguistic and cross cultural shared values or is it a form of cultural imperialism in disguise the rationale for adopting french was prompted by the perception that linguistic diversity in french africa was a source of instability while french could act as a stabilising agent the adoption of this language has however widened the gaps between ethnic and tribal groups reinforcing inequalities between classes particularly the elite and the rural population it has also strengthened the view that african languages are not fit for the business world and are unable to compete with dominant languages thus perpetuating the colonial myth language is inseparable from culture and both language and culture constitute a nation s heritage as such african heritage is being eroded by the day this book offers detailed insights into the impact of french in gabon exploring what the french language has brought to the country but also considering what it is taking away

this new fourth edition of the historical dictionary of gabon brings up to date the political affairs of the country since the accession to power of ali bongo eldest son of omar bongo the former president for life who died in 2009 after the publication of the third edition themes of continuity and change are present throughout the entries not only as the bongo family continues its half century of dynastic rule there are a dozen bongos in this new edition but as the rare primeval tropical rainforests continue to dominate the landscape yet are menaced by destructive logging and palm oil plantations and as this former french colony after independence continues to collaborate with the french african sphere of influence yet seeks new partners from america and asia china singapore and as the country s numerous ethnic groups perpetuate a multicultural mosaic that is

nevertheless threatened by globalization of communications and cultural convergence this fourth edition of historical dictionary of gabon contains a chronology an introduction appendixes and an extensive bibliography the dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent resource for students researchers and anyone wanting to know more about gabon

we have been working to transform our organisation and operations to position ourselves for the current national and global challenges in the hydrocarbons sector patrichi christian tanasa ceo gabon oil over the past five years gabon has been severely impacted by the drop in oil prices and declines in hydrocarbons production however the adoption of a new hydrocarbons code is poised to make all the difference in attracting new investment to the country for its 12th bidding round while challenges remain the outlook is positive for the country with newcomers entering the market we in the industry have always believed that rabi cannot be alone there must be something else but you need money and technology to find it charles tchen general manager of independent petroleum consultants the oil gas year gabon 2019 is focused on gabon oil s upstream and downstream development plan designed to support the growth of the national hydrocarbons industry and to ensure the noc becomes a major african player this seventh edition of the oil gas year gabon provides foresight to investors and companies looking at strategic growth opportunities in the country at a time when new policies and public policy changes are reshaping an important african energy industry

the country of gabon located in equatorial africa on the atlantic coast gained its independence from france on august 17 1960 its strong

economic base in mining forestry and especially petroleum has made gabon one of the most prosperous nations in the area it also boasts the longest serving african head of state in president el hadj omar bongo ondimba who having won election after election has been in power since 1967 the third edition of the historical dictionary of gabon provides crucial information about the country s important persons places events and institutions this is done through the use of several hundred cross referenced dictionary entries an introductory essay a chronology a list of acronyms and abbreviations maps and a comprehensive bibliography
