from the appearance of the first single cylinder engine followed by its twin cylinders the harley davidson has distinguished itself by its imposing models known for their trustworthiness and endurance and by their many wins on the racetrack the motorcycles powered by v twin harley davidson engines have forged the legend of this american brand already in business for over a century through families of highly prestigious names hydra glide then duo glide and finally electra glide and also softail dyna v rod and sportster names that exist and have persisted in the case of certain models for more than 50 years in spite of competition that in late years from america and then from the uk and japan harley davidson has prevailed because of the innovations it has introduced at times belatedly but always the fruit of sensible reflections and because it has diversified its family of motorcycles to make them correspond to the public s expectations without falling into the trap of expanding technological innovations to an exaggerated level the new harley davidsons have become motorcycles offering modern performance while at the same time conserving the spirit of the brand and above all that special harley davidson character all you need to do is climb onto the saddle and rev up a harley davidson to discover a new motorcycling universe where the concept of pleasure reveals new meaning this is the universe that this book invites you to discover through the history of the brand s main models embodying nearly 110 years of motorcycling adventures and touching upon touring sport customisation and a simple and outright passion for motorcycles author pascal szymezak is a motorbike journalist he has worked as an editorial consultant for music

themed volumes and in particular he was the curator of the title heavy metal and worked on graphic design for the book dream cars of the twenty first century 2013 illustrated

in the late 1980s harley davidson beat back an assault by japanese competitors and engineered a remarkable financial turnaround but it subsequently faced an even more formidable challenge maintaining and improving on its success in the absence of an external crisis to answer this challenge then ceo rich teerlink partnering with organizational consultant lee ozley threw out the top down strategies that had just saved the company and began building a different harley one that would be driven not by top management but by employees at every level what happened next is the stuff of turnaround legend more than a motorcycle is the story behind the story of the purposeful transformation of an american icon as told by the two individuals most deeply involved in that decade long process the book chronicles the victories and setbacks along harley s difficult journey from a traditional command and control culture to an open participative learning environment teerlink and ozley deliver three fundamental messages people are a company s only sustainable competitive advantage there is no quick fix to effect lasting beneficial organizational change and leadership is not a person but a process to which everyone must contribute they provide practical reality tested prescriptions for critical tasks like developing employee alignment building structures that support participation and implementing effective reward programs finally they draw lessons from the harley experience lessons about values trust and community that apply broadly to any business an against the odds story of a business road less traveled this book encourages today s leaders to look around the next bend and to give every employee a view of the road from the driver s seat

text and photographs follow a motorcycle at the harley davidson factory from start to finish

it's no wonder descriptions of riding often resemble the words of asian mystics and jedi knights the ride causes your senses to open completely you experience only the present the now readers who prefer revving a harley to meditating in a zen garden know that biking is just as contemplative as chanting in the lotus position here philosopher bikers explore this seeming dichotomy expounding on intriguing questions such as why are the motorcycles the real stars of easy rider what would marx and foucault say about harley riders tight leather garb what's it like to live a dual life as a philosophy professor who wrenches his own 1965 electra glide would jesus hang out in a biker bar or a coffeehouse and more importantly would he ride a harley or a honda these witty provocative essays give readers and riders a new appreciation of what it means to become one with the road

millions of loyal harley fans can't be wrong with their distinctive styling and sound harley davidson motorcycles have won the hearts of people from all walks of life and from all over the world harley davidson the good the bad and the legendary captures just what it is about harleys that make them so popular this anthology is a tribute not only to this legendary piece of machinery but also to the stories history and lifestyle behind its rise as the world's most popular bike if you're still in awe of that first harley still riding and wrenching on harleys or still dreaming harleys then this book is for you

motorcycles have been a way of life for jean davidson her grandfather was walter davidson one of the four founders and the first president of harley davidson her father was company vice president gordon davidson and jean herself was a harley davidson dealer rubbing elbows with all the harleys and davidsons as well as the hell's angels and outlaws famous racers and evel knievel this is the history of harley davidson motorcycles no one else knew until now here is the

fairy tale story of how four boys built their first motorcycle in a shed how a slippery handed maid stole all the company's earnings from the coffee can that served as their bank and how a hermit uncle donated his life's savings to resurrect the company and set it on the path to becoming the world's most famous motorcycle maker here is the inside scoop on behind the boardroom door politics and corporate battles the unknown history of the first knucklehead and sportster the secret friendship with arch rival indian motorcycles and more here are family stories and rare photos from the family album that no one else has seen before

in the early 1980s harley davidson was on the verge of bankruptcy in the general public's opinion quality was substandard of both motorcycles and riders harleys leaked oil and were often broken down riders were roughnecks out to raise hell the harley davidson brand was tarnished what's more the charges were true by the mid 1980s harley couldn't produce enough bikes to keep the public happy dealers were selling bikes off the showroom floor struggling to assuage customers frustration and today harley davidson is a model brand harley davidson isn't just a motorcycle company anymore it is a community a look a source of self expression an all american appeal for freedom all expressed in one little logo so what happened how did harley manage to pull itself from the fire brush itself off and ride off into the sunset the secret branding histories will tell you how harley davidson closed the quality gap between hogs and the cheaper faster sleeker japanese bikes how harley used japanese manufacturing methods to increase its cash flow how harley clawed its way back from the brink of bankruptcy all these aspects were important to harley's rise from the ashes no doubt and as such are discussed in this book but the true power of the big beautiful orange and black machine that is harley davidson lies in its image the bar and shield the brand rebuilding the brand how harley davidson became

king of the road is the story of how a core group led a team of not only marketing folks but also employees management dealers and vendors to rebuild the harley davidson image told through the perspective of clyde fessler who held several positions within harley from head of marketing services to vp of business development rebuilding the brand provides dynamic branding information couched in an entertaining story fessler describes the methods used to create the iconic image harley davidson enjoys today methods that can be translated to nearly any industry and explores the topics of brand experience brand personality brand extension brand association brand consistency and brand welfare allworth press an imprint of skyhorse publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more while we don't aspire to publish a new york times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive we often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers

join motorcycle enthusiast writer and journeyman machinist bob tyson as he highlights vintage harley davidson motorcycles in harley davidson memories the golden age of motorcycling born into a family rich in harley davidson history tyson tells their stories as well as others accounts and adventures from the golden years of motorcycling with a foreword written by jay leno this unique book features a large collection of photographs some never before published and harley davidson advertisements from the early 1900s so sit back and enjoy the ride of your life on these antique bikes

motorcycles have been a way of life for jean davidson her grandfather was walter davidson one of the four founders and the first president of harley davidson her father was company vice president gordon davidson and jean herself was a harley davidson dealer rubbing elbows with all the harleys and davidsons as well as the hell s angels and outlaws famous racers and evel knievel this is the history of harley davidson motorcycles no one else knew until now here is the fairy tale story of how four boys built their first motorcycle in a shed how a slippery handed maid stole all the company s earnings from the coffee can that served as their bank and how a hermit uncle donated his life s savings to resurrect the company and set it on the path to becoming the world s most famous motorcycle maker here is the inside scoop on behind the boardroom door politics and corporate battles the unknown history of the first knucklehead and sportster the secret friendship with arch rival indian motorcycles and more here are family stories and rare photos from the family album that no one else has seen before

harley davidson words that evoke the open american road and the made in america tradition like no others the sweeping chopper handlebars the distinctive throaty potato potato roar of the engine and the unmistakable logo are all emblems recognized the world over this book expertly ties together the mechanical evolution of the harley s engines from the earliest motorized pedal bicycles to the iconic heavyweight twin cylinder v engines we know and love today and the social history of the brand s phenomenal rise in the twentieth century as innovative survivor of the great depression supplier of the military during both world wars and enduring symbol of freedom and rebellion in movies such as easy rider it is fully illustrated with pictures of the bikes and those who have ridden them as well as beautiful examples of h d s distinctive design aesthetic in advertising and collectibles

every gearhead bike enthusiast will love this title for its rich history of the legacy brand known as harley davidson this title profiles some of the company s most iconic models from the debut 1911 model 7d to today s sleek and modern vrsca v rod readers can immerse themselves in details such as horsepower torque transmission types exhaust systems wheelbase measurements and speed for more info there is also a spec sheet on each model the showroom worthy images of each of these beautiful bikes make this book a must read for anyone interested in the harley legacy

from movie stars to gis hell s angels to police officers bikers who want to enhance their image ride a harley davidson the story of this company is remarkable it conquered the world and survived the ravages of depression mass imports and takeover 200 beautiful large size photos and a lively text capture the excitement of these magnificent machines including the classic 1950s electra glide and the latest xl

harley davidson the complete history is a richly illustrated tribute to the company s iconic bikes from the original 1903 machine to modern sportsters with stories from famous motorcycle writers

celebrate more than a century of harley davidson history with this definitive e guide ultimate harley davidson tells the story of the world s greatest motorcycle marque from its origins in a backyard shed to the international company it is today gloriously illustrated gallery spreads showcase more than 70 of the best harleys ever built highlighting and exploring their defining features spectacular close ups of key engines explain how the classic harleys ran while an updated catalogue of every production model provides technical data and key specs for each

bike including racing models special one offs and limited edition production runs from the early bikes and their key innovations to the v rods and sports bikes of recent years it is the complete guide for lovers of this american classic whether you re an easy rider or born to be wild there is only one harley davidson and this is the book for you

harley davidson are two words that evoke the search for freedom as well as the made in america tradition the unique sound the popular chopper handlebars and the famous logo have all become part of the american pop culture if not of the entire world this book brings together the history and the mechanical evolution of the company s engines it continues describing the main motorcycle model families and digs down to describe the most famous models harley has ever produced a final chapter is dedicated to the successful brand s phenomenal rise in the twentieth century and how harley davidson has become a symbol of freedom and rebellion the book is fully illustrated with pictures of the bikes

achronicles america s sole remaining motorcycle manufacturer and the historical framework in which it prevailed for nearly nine decades

at harley davidson customers not only purchased a motorcycle they bought the rebel lifestyle harley signified this rebel image took a long time to develop and constituted a major competitive advantage for harley nothing promised the same excitement as being on the open road on a harley its engine roaring the wind whipping the great open spaces of america just down the road harley davidson specifically targeted a narrowly defined market of middle aged males with disposable income however as us baby boomers got older the company recognized that it had to look to new markets and demographics to expand sales

donny petersen who studied privately with harley davidson engineers shares practical knowledge and street wise tips in the fifth volume of his unauthorized guide on the best motorcycle maker in the world written in straightforward language this guide can help even a motorcycle novice to become an expert mechanic by following donnys step by step instructions whether youre looking for detailed service procedures such as fitting engine bearings or simple tips on maintenance donny is eager to share the expertise hes stockpiled on the shovelhead over the last forty years donny shares real stories so you can find solutions to whatever is ailing your shovelhead resolve teething problems troubleshoot problematic aspects of the engine and fix whatever comes up with various models gear ratios torque multiplication and h d and aftermarket tools of the day are prominent in the guide which even includes information on tools donny invented himself to make your life easier get the specifications for tightening all the shovelhead fasteners and adjustments to mechanisms on various models in his usual forthright manner donny makes technical issues understandable interspersing explanations with entertaining stories about the hard core lifestyle that comes with being a harley rider
