a very practical publication that contains the knowledge of a large number of experts from all over the world being independent from specific frameworks and selected by a large board of experts the contributions offer the best practical guidance on the daily issues of the it manager

an ideal resource for boards everywhere there are at least 10 million civil society organizations csos in the world each of them with a board composed of individuals doing their best to govern well and wisely there is no single model of governance to emulate but are there universal principles and practices that can help boards everywhere perform at the highest level this book takes us for a trip around the world to look at what is working for boards its discoveries will help not only boards but also nonprofit staff leaders seeking to assist their boards to optimal performance and capacity builders looking to strengthen their civil society sector even if your organizational concerns extend no further than city boundaries this book is for you one of the greatest governance challenges today is a lack of diversity on the board this can seriously hamper an organization's ability to realize mission and to understand and serve its community reading this book will provide a greater understanding of how the cultural context affects governance and will sensitize the reader to different ways of thinking about governance global best practices for csos ngo and other nonprofit boards presents case studies from different parts of the world that illustrate effective practice identifies and discusses interesting and significant differences and explores global governance trends with implications for us all tests for universal truths about roles responsibilities and practices using criteria established by boardsource the premier voice on nonprofit governance provides information that builds exceptional nonprofit boards discusses cultural differences in governance that will help all boards to better function in increasingly diverse environments offers inspiration to ngo boards in any part of civil society reflects on the future of governance worldwide if you're a capacity builder a board member or an executive leader looking for guidance on governance this is the book you'll want to have on hand

advances in health care management volume 17 helps to shape emerging thinking about best practices in international health care management the volume is divided into two sections a set of commentaries from us and european scholars and research articles that compare two or more health systems and focus on specific topics in health care delivery

the egyptian social contract explores the intricacies of the relationship between the state and its citizens from the establishment of the semi independent egyptian nation in 1922 until the 2011 uprising the book studies how and why a social contract that had been reformed in the aftermath of world war ii became the core of state citizen relations under president nasser it further explores the long and tortuous search for a new social contract in egypt since the 1970s relli shechter looks at how this social contract channelled socioeconomic development over time creating an egyptian middle class society shechter probes a political economy in which class vision and

interests in development intertwined with the rise and entrenchment of authoritarianism the perseverance of this social contract has mostly inhibited socioeconomic and political reforms or the making of a new social contract in egypt such reforms would have challenged egypt s ruling elite and no less so its middle class society

energy in europe and russia is in flux this book presents a rich set of case studies for analyzing the complex and intertwined regional dynamics of multiple actors levels and policy fields in energy throughout europe and russia with the aim of offering an alternative view to the prevalent geopolitical or neoliberal approaches
