introduction there are five things that will always happen for as long as we live serving the purposes of god in and through this platform every time we gather there must be encounters an encounter is an experience that makes god and his principles real in your life there must be transformation the name given to the process that makes you become like christ in experience we must give the holy spirit an opportunity to review the love and the power of jesus through signs wonders and miracles there must be impartations of all sorts an impartation is a transference of spiritual possibilities men can carry graces our possibilities in this kingdom are defined by the kinds and the levels of graces that we carry thou anointed my head with oil and i see the proof on my head by looking at my cup it doesn t anoint my cup if something is wrong with my cup the

problem is not my cup the problem is what is on my head we must always provide an opportunity for fellowship how good and how pleasant it is when brethren dwell together in unity it s like the oil that comes upon the head of aaron down to his beard and his garment it says there the lord has commanded the blessing what you re about to read will change your life in the name of jesus christ the lord put a very powerful teaching in my heart and i m sent to the body of christ primarily it s regardless denomination the doctrinal differences that seem to divide us it s part of the reasons why he brought us to this city and has projected us to the nations as instruments of unity balance dexterity and groove we are lifted and strengthened in this kingdom not based on our longevity in the faith time does not change anything time only reveals a 10 year old error can still destroy like a 1 year old error provided it is error it takes understanding it says for the people that sat in darkness have seen a great light if you re distracted when the word of god is coming be sure that it is an attack because it takes focus and concentration to receive there is an intellectual dimension to the reception of the word it s not just a spiritual affair alone your mind has to be active and fruitful so even if your spirit is alive and your mind is distracted that s why sometimes before the message comes god quickly settles issues like these because some of those issues are the things that distract people from listening while the word of god is coming someone is thinking how do i battle this issue how do i battle that issue

the divine intervention of god in human triumph many of us may not be aware of how divine interventions work to change adverse circumstances surrounding our lives it seems to me that god who created us in his own image also continues to shape the events in our lives the author of this book is rev james abolarin who by the grace of christ has overcome many odds in this world each year of his life tells a different story of how god has helped him to overcome adversities the lord has made him an asset in the body of christ as he wants to teach you how to fight and succeed as you go through the journey of life he has found out that it is never the will of god that believers live their lives defeated but instead they should be more than conquerors in christ jesus every new year possesses enormous challenges to many of us in this world these challenges are very real and unavoidable if anyone thinks that eluding these challenges will make life easier such an individual is living in a fantasy land jesus came to this world he was confronted with challenges being the lord and the creator of the universe he is the image of the invisible god the firstborn over all creation for by him all things were created things in heaven and on earth visible and invisible whether thrones or powers or rulers or authorities all things were created by him and for him he is before all things and in him all things hold together and he is the head of the body the church he is the beginning and the firstborn from among the dead so that in everything he might have the supremacy for god was pleased to have all his fullness dwell in him and through him to reconcile to himself all things whether things on earth or things in heaven by making peace through his blood shed on the cross colossians 1 15 20 the incarnation of jesus as god in human flesh was to send the message of god s divine intervention in the affairs

of men in order to set things straight in our lives this has been part of god s plan for the world when he spoke to abraham many times emmanuel in the book of matthew 1 means god is with us it demonstrated a new era of god s willingness to save the oppressed over several years in my ministry i have come face to face with many challenges that have dented my life both positively and unfortunately negatively as well however enlisting christ in my battles in life has made all things work the best for me without regret i live with full assurance of a better tomorrow and not in despair because of the confidence i have in christ as a christian according to the book of romans 8 28 all things work together for good just read the verse below and we know that all things work together for good to them that love god to them who are the called according to his purpose those who are not spiritually enlightened are often argued against god s divine interventions because their spiritual eyes are darkened i have learned many lessons through life challenges and have grown tremendously in experiences because of these challenges during my ups and downs in life i have seen a lot of miracles i am a prayerful man and i am always hungry for the truth for example my wife and i just returned from a deeper life convention of 2012 we were richly blessed from all the messages we heard especially those that were pungently delivered by our father in the lord rev w f kumuyi in fact we came back to the usa fired up to do more exploit for christ this year we have unwavering conviction that this year will be the beginning of a new thing in our ministry upon returning to the united states the first sunday worship was very good people were happy that we came back safely and they clapped their hands for jesus christ i always consider it an honor when people appreciate their ministers in such a way the challenge is how to deepen their love for christ this year so they can do t
