this examination of myths from around the world focuses on the role nature plays within mythology creation myths from myriad cultures recognized that life arose from natural elements inextricably connecting human life to the natural world nature as portrayed in myth is unpredictable and destructive but also redemptive providing solace and wisdom mythology relates the human life cycle to the seasons with spring summer fall and winter as metaphors for birth adulthood old age and death the author identifies divinities who were direct representations of natural phenomena the transition of mythic representations from the paleolithic to neolithic period is discussed

reprint of the original first published in 1872 the antigonos publishing house specialises in the publication of reprints of historical books we make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

in tradition principally with reference to mythology and the law of nations john francis arundell baron arundell of wardour offers a profound exploration of the interplay between tradition mythology and legal frameworks that shape nations through a meticulous analysis steeped in historical context the book navigates the rich tapestry of cultural narratives examining how these traditions influence contemporary legal systems arundell s literary style combines scholarly rigor with compelling narrative allowing readers to engage deeply with complex concepts while remaining accessible to a wider audience this work is situated within the context of 19th century thought when issues of identity and cultural heritage were of paramount importance reflecting the era s growing interest in the interrelation of humanity s mythological roots with the evolution of legal practices baron arundell was a distinguished figure not only in the realm of law but also as a proponent of preserving cultural heritage his background as a legal scholar and his experiences navigating the intricacies of governance profoundly informed this work with an acute awareness of how mythology and tradition serve as foundational elements in society he aimed to elucidate the underlying moral and ethical frameworks that guide legal decisions this integration of scholarly insight and personal conviction manifests in a compelling argument for the significance of tradition in the formation of modern nations for readers keen on understanding the foundations of legal systems through the lens of mythology and tradition arundell s work offers invaluable insights this book is a vital resource for scholars legal practitioners and anyone interested in the intersection of culture and law its rich analysis provides a critical perspective on how historical narratives shape contemporary legal principles making it a recommended addition to the library of any thoughtful reader

this book explores the connection between history and mythology by engaging with myths not as allegories or falsehoods but as representations of historical experience historical approaches to myth are often absent from discussions of mythology which favour symbolic and psychological interpretations this analysis traces certain episodes of myths complex ancestries from when their relationship with history could not so easily be severed to subsequent attempts which misunderstood myths as confused undeveloped lenses for humanity to view the world drawing on the works of english philosopher r g collingwood and the romanticism movement the book argues for the expansion of methodological approaches to myths it explores the ways in which myths have served as clues for the history of civilization and humanity s ever changing complexities the historical value of myths is an illuminating read for advanced undergraduates postgraduates and researchers in the fields of mythology the philosophy of history and anthropology

in esther in diaspora tsaurayi kudakwashe mapfeka presents a new approach to the book of esther in the hebrew bible he argues that whereas previous interpretations have emphasised an association with the jewish festival of purim a theory nuanced concept of diaspora offers the key for reading esther alongside the relatively new approach of diaspora studies the author makes use of the more traditional analogical reasoning seeing parallels between the community behind esther and the zimbabwean diaspora community in the united kingdom of which he is a member the two fold methodological application results in an innovative and stimulating reading of the book overall the book reflects a deep awareness not only of issues surrounding esther but of the broader fields of the study of the bible and of the ancient near east
