this intermediate text uses a flexible four skills approach to promote communication with a primary emphasis on reading. The text is organized into two main sections: *Lektüre* and *Grammatik*. *Lektüre* features 10 themes which present excerpts and complete texts that reflect contemporary Germany followed by reading comprehension activities and speaking and writing practice. *Grammatik* offers a comprehensive grammar review in 10 chapters which recycle and integrate vocabulary used in the themes and provide proficiency oriented practice.

*Concepts in Biology* is a short student friendly text organized in a traditional manner. It has very little botany and presents a human oriented approach to the animal unit. Professors and students appreciate the low cost of this title and that it is written for students who are not biology majors.
