the quality of school leadership has a big impact on improvement and inspection outcomes good school leaders ensure that their teachers have the resources they need to be successful they also create a positive culture where teachers feel supported and appreciated this leads to better morale and higher retention rates additionally good school leaders can effectively communicate the school's vision to all stakeholders this ensures that everyone is on the same page and working towards the same goals restructuring leadership for school improvement and reform investigates cooperation staff development resource supply vision transparency workplace stress management and professional development for school leaders as methods for creating a healthy school culture this premier reference source is ideal for administrators instructional designers researchers academicians scholars practitioners instructors and students

navigating the ubiquitous misunderstood and evolving role of the educational leadership program coordinator in higher education is an edited volume of chapters focused on the role of the program coordinator pc in educational leadership the book is a recent addition to the book series dimensions of leadership and institutional success exploring connections and partnerships edited by ellen h reames noelle a paufler and ellen h reames editors created this book to examine various aspects of the pc role because it has been largely ignored in the educational leadership preparation literature the book examines various aspects of the pc role to include responsibilities navigating the politics and policies of higher education and educational agencies internal and external problems and barriers related to the role and recommendations and possibilities for enhancing the pc role the book is divided into 3 sections section 1 centers on the roles of the pc and also includes a model that can be used to structure pc responsibilities within programs section 2 focuses the readers attention to present misunderstanding of the pc as a quasiadministrative role which appears to be gaining in clarity through present research section 3 gives a glimpse to future trends which includes the growing use of clinical faculty as pcs the primary audience is higher education faculty and administrators the term program coordinator spans across all disciplines and is used in most higher education institutions across the united states higher education institutions are also interested in sustaining partnerships within the university and the communities beyond this book can assist with nuances of partnership development for any higher education field of study the audience also includes faculty in higher educational leadership program development and school university partnership development and enhancement across public and private enterprises who are educating future leaders other interested groups are university and school based professionals who are seeking to improve relationships partnerships and collaborations between educational leadership preparation programs and k 12 districts and

related agencies the book would also be of value to those who conduct research in the areas of partnership creation and implementation and to those who conduct research which improves educational leadership preparation and development the role of the pc in educational leadership is critical to the success of higher education leadership preparation programs and is often very different than pcs in other higher education disciplines

the journal of school leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts we welcome manuscripts based on cutting edge research from a wide variety of theoretical perspectives and methodological orientations the editorial team is particularly interested in working with international authors authors from traditionally marginalized populations and in work that is relevant to practitioners around the world growing numbers of educators and professors look to the six bimonthly issues to deal with problems directly related to contemporary school leadership practice teach courses on school leadership and policy use as a quality reference in writing articles about school leadership and improvement
