have you ever really listened to the way you talk to people have you truly listened to the way you speak what is it like whenever i hear my voice i feel strange is that

really me recorded voices are even weirder like disembodied little pieces of me my voice sounds like it is coming from afar but language has never really been limited by voice it is a medium of communication that connects you to someone else speech can be constrained by culture but it can also be free to transform into something else we have sign language braille and other forms that transcend different types of ability however nothing is like the light language light language is a means of communication that is more spiritual than intellectual it connects you to a higher being or the universe instead of merely connecting you to another human this book will help you define and understand light language use light language to heal various types of conditions ascend in wisdom and the spirit pass on your knowledge to others who need it
