holsters have played and are still playing a very important part in the history of
man and since the making and manufacture of the first hand guns methods for
concealing easier handling and carrying of these weapons have been devised trial
and error being the surest way of improvement holster making has now advanced
to fill almost every need and requirement of the pistol user today with the
hundreds of makes models and barrel lengths of hand guns it would be virtually
impossible to reproduce holster patterns for each and every one into book form
the holster patterns presented in this book are a cross section of a few of the

most popular makes and models of the guns in use today with alternate designs and added barrel lengths as space permits most of the carving designs presented can be altered for shorter longer or odd barrel lengths by adding or omitting a leaf scroll etc the designs can also be used on similar holster patterns for other guns by stretching or squeezing the flowers leaves etc to fit the confines of the border lines with a little imagination and ingenuity the carving designs in this book can be used on hundreds of holster patterns remember the patterns shown will also fit many other similar makes and models of guns too numerous to mention the purpose of this book is to assist and instruct the craftsman in various methods of holster construction and holster pattern making each phase is shown with clearly defined step by step photos and drawings it is hoped that this book will aid the self taught student instructor and professional craftsman alike to further their knowledge of how to make holsters for profit personal satisfaction and fun a special thanks to my wife terry who has devoted countless hours and painstaking effort to produce all of the photographs appearing in this book many thanks to ralph tiner sporting goods center hemet calif for his willing cooperation in supplying guns and information thanks to lee kelly u s forestry service and many other friends who have given unselfishly of their time and assistance to the leathercraftsman thanks for your patience in awaiting the first publication of how to make holsters many happy hours sincerely al stohlman
