justice has been the dominant cultural framework of people in the west for two centuries ever since the rise of constitutional democracies consciously or not most people in the west have a strong awareness of right and wrong their sense of morality is generally rooted in an obligation to the rule of law in democratic societies the rule of law ultimately relies on constitutional documents ratified by a widely accepted process of development and implementation for millennia honor has been the dominant cultural framework of most people in the east and middle east here people know that speech and behavior display respect or disrespect while pervasive in all

relationships honor and shame are most important in the family extended family and local community in the east honor is not necessarily an internal feeling as it is in a justice culture honor is more often an external attribution bestowed by others rather than claimed by oneself harmony is prevalent globally in indigenous cultures many indigenous peoples do not distinguish between the supernatural and natural worlds all aspects of life are connected interactions with spirit beings are the key to maintaining harmony in order to be secure reciprocity is a common cultural framework in the global south here one learns to develop connections with the right people in given circumstances for needed resources these connections may or may not be characterized as friendships and provide not so much close friendships as reciprocal exchange in some places reciprocity is the means whereby one survives

an in depth examination of the many familial educational and societal factors influencing the decision of young men and women to enter religious life today in the united states

with a full report of the various dioceses in the united states and british north america and a list of archbishops bishops and priests in ireland

a new international business text for a new and ever changing global environment
