the hawai i reader in traditional chinese culture is a collection of more than ninety primary sources all but a few of which were translated specifically for this volume of cultural significance from the bronze age to the turn of the twentieth century they take into account virtually every aspect of traditional culture including sources from the non sinitic ethnic minorities

addiction to illicit drugs is a pressing social concern across greater china where there are likely several million drug addicts at present this research breaks new ground by examining chinese people s stories of drug addiction chinese stories of drug addiction systematically evaluates how drug addiction is represented and constructed in a series of contemporary life stories and filmic stories from mainland china taiwan and hong kong these stories recount experiences leading up to and during drug addiction as well as experiences during drug rehabilitation and recovery through analysis of these contemporary life stories and filmic stories the book presents a comprehensive picture of how chinese people from both inside the experience of drug addiction and outside of it make sense of a social practice that is deemed to be highly transgressive in chinese culture it employs a blended discourse analytic and narrative analytic approach to show how salient cultural

political and institutional discourses shape these chinese stories and experiences complementing existing humanities research which documents the historical narrative of drug addiction in china at the expense of the contemporary narrative the book also provides health and allied professionals with a rich insight into how chinese people from different geographical locations and walks of life make sense of the experience of drug addiction moving beyond historical narrative to examine contemporary stories chinese stories of drug addiction offers a valuable contribution to the fields of chinese studies and personal health and wellbeing as well as being of practical use to health professionals

the first comprehensive one volume reference work to consider the history of world missions and contemporary study of the subject from an evangelical perspective
