this edition of the canadian encyclopedia is the largest most comprehensive book ever published in canada for the general reader it is complete every aspect of canada from its rock formations to its rock bands is represented here it is unabridged all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume it has been expanded since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50 to over 4 000 000 words it has been updated the researchers and contributors worked hard to make the information as current as possible other words apply to this extraordinary work of scholarship authoritative reliable and readable every entry is compiled by an expert equally important every entry is written for a canadian reader from the canadian point of view the finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country this book deserves pride of place on the bookshelf in every canadian home it is no accident that the cover of this book is based on the canadian flag for the proud truth is that this volume represents a great national achievement from its formal inception in 1979 this encyclopedia has always represented a vote of faith in canada in canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated at the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this canadian encyclopedia is offered in a spirit of defiance and of faith in our future the statistics behind this volume are staggering the opening sixty pages list the 250 consultants the roughly 4 000 contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project the 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest canadian book ever published there are of course many special features these include a map of canada a special page comparing the key statistics of the 23 major canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative

endpapers but above all the book is encyclopedic which the canadian oxford dictionary describes as embracing all branches of learning this means that with rare exceptions there is satisfaction for the reader who seeks information on any canadian subject from the first entry a mari usque ad mare from sea to sea which is canada s motto and a good description of this volume s range to the zouaves who mustered in quebec to fight for the beleaguered papacy there is the required summary of information clearly and accurately presented for the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination the word encyclopedia derives from greek expressions alluding to a grand circle of knowledge our knowledge has expanded immeasurably since the time that one mind could encompass all that was known yet now canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume the result is a book for every canadian who values learning and values canada

this second of three volumes in the history of the book in canada demonstrates the same research and editorial standards established with volume one by book history specialists from across the nation

across the globe history has gone public with the rise of the internet family historians are now delving into archives continents apart activists look into and recreate the past to promote social justice or environmental causes dark and difficult pasts are confronted at sites of commemoration artists draw on memory and the past to study the human condition and make meaning in the present as a result of this democratisation of history public history movements have now risen to prominence this groundbreaking edited collection takes a comprehensive look at public history throughout the world divided into three sections background definitions and issues approaches and methods and sites of public history it contextualises public history in eleven different countries explores the main research skills and methods of the discipline and illustrates public history research with a variety of global case studies what is public history globally provides an in

depth examination of the ways in which ordinary people become active participants in historical processes and it will be an invaluable resource for advance undergraduates and postgraduates studying public history museology and heritage studies

mark twain s letters for 1874 and 1875 encompass one of his most productive and rewarding periods as author husband and father and man of property he completed the writing of the adventures of tom sawyer published the major collection sketches new and old became a leading contributor to the atlantic monthly and turned the gilded age the novel he had previously coauthored with charles dudley warner into one of the most popular comedies of the nineteenth century american stage his personal life also was gratifying unmarred by the family tragedies that had darkened the earlier years of the decade he and his wife welcomed a second healthy daughter and moved into the showplace home in hartford connecticut that they occupied happily for the next sixteen years all of these accomplishments and events are vividly captured in mark twain s inimitable language and with his unmatched humor in letters to family and friends among them some of the leading writers of the day the comprehensive editorial annotation supplies the historical and social context that helps make these letters as fresh and immediate to a modern audience as they were to their original readers this volume is the sixth in the only complete edition of mark twain s letters ever attempted the 348 letters it contains many of them never before published have been meticulously transcribed either from the original manuscripts when extant or from the most reliable sources now available they have been thoroughly annotated and indexed and are supplemented by genealogical charts contemporary notices of mark twain and his works and photographs of him his family and his friends mark twain s letters for 1874 and 1875 encompass one of his most productive and rewarding periods as author husband and father and man of property he completed the writing of the adventures of tom sawyer published the major collection sketch
