mary kelly s post partum document one of this century s most significant and influential artistic statements on identity represents the ultimate merging of feminism and minimalist performativity it is an extraordinary work that is viscerally experienced rather than statically received maurice berger new school for social research

feminist motherhood is a surprisingly unexplored subject in fact feminism and motherhood have been often thought of as incompatible profound provocative and innovative feminist art and the maternal is the first work to critically examine the dilemmas and promises of representing feminist motherhood in contemporary art and visual culture andrea liss skillfully incorporates theory with passionate personal reflections on the maternal and in doing so she advances a fresh and necessary perspective on both feminism and art

selected and introduced by juli carson this book presents a collection of essential essays interviews and never before published archival materials that trace the development of the teaching of major artist and thinker mary kelly from 1980 2017 as an artist and a theorist kelly is known for her foundational contributions to feminism and conceptual art she is also revered for her innovative pedagogy which has influenced countless artists writers and teachers within the international art community her description of a feminist practice of concentric pedagogy centred on the artwork rather the mastery of the teacher radically changed teaching practice in art studios detailing kelly s innovative pedagogical program

the essays are split into three sections the method which focuses on kelly s renowned method of ethical observation within studio critique the project which explores her notion of what constitutes an artistic project and project and method in the field which presents for the first time a transcription of on the passage of a few people though a rather brief period of time a performative colloquy commissioned by the tate modern and moderated by kelly in 2015 following this transcription is a portfolio of practicing artists previously enrolled in kelly s interdisciplinary studio area at ucla mary kelly s concentric pedagogy highlights how contemporary studio teaching practice has been largely informed by kelly s bold and innovative approach to art pedagogy evidencing how the intersection of teaching artistic practice and radical political engagement can transform our approach to all three it is essential reading for students and teachers of art and design studio practice art history and theory contemporary and feminist art

original essays offering fresh ideas and global perspectives on contemporary feminist art the term feminist art is often misused when viewed as a codification within the discipline of art history a codification that includes restrictive definitions of geography chronology style materials influence and other definitions inherent to art historical and museological classifications employing a different approach a companion to feminist art defines art as a dynamic set of material and theoretical practices in the realm of culture and feminism as an equally dynamic set of activist and theoretical practices in the realm of politics feminist art therefore is not a simple classification of a type of art but rather the space where feminist politics and the domain of art making intersect the companion provides readers with an overview of the developments concepts trends influences and activities within the space of contemporary feminist art in different locations ways of making and ways of thinking newly commissioned essays focus on the recent history of and current discussions within feminist art diverse in scope and style these contributions range from essays on the questions and challenges of large sectors of artists such as configurations of feminism and gender in post cold war europe to more focused conversations with women artists on afropean decoloniality ranging from discussions of essentialism and feminist aesthetics to examinations of political activism and curatorial practice the companion informs and questions readers introduces new concepts and fresh perspectives and illustrates just how much more there is to discover within the realm of feminist art addresses the intersection between feminist thinking and major theories that have influenced art theory incorporates diverse voices from around the world to offer viewpoints on global feminisms from scholars who live and work in the regions about which they write examines how feminist art intersects with considerations of collectivity war maternal relationships desire men and relational aesthetics explores the myriad ways in which the experience of inhabiting and perceiving aged raced and gendered bodies relates to feminist politics in the art world discusses a range practices in feminism such as activism language education and different ways of making art the intersection of feminist art making and feminist politics are not merely components of a unified whole they sometimes diverge and divide a companion to feminist art is an indispensable resource for artists critics scholars curators and anyone seeking greater strength on the subject through informed critique and debate
