the humongous books are typically 464 pages and contain 650 to 1 000 completed
problems they are designed to look like textbooks with problems and answers that
have had handwritten notes added by a mentor peer or previous student who
clarified the process formula and steps that went into solving the problem the
humongous book of sat math problems takes a typical sat study guide of solved math
problems and provides easy to follow margin notes that add missing steps and
simplify the solutions thereby preparing students to solve all types of problems that

appear in both levels of the sat math exam
