second edition the republishing of the new testament transline has given me the opportunity to fix all the typos that have been brought to my attention i give thanks to all who helped by pointing out these things in addition i have produced the forthcoming disciples literal new testament tentative title which is a simplified version of this book about one third its size it is the same translation found in this volume but now presented in paragraph format no outline with interpretive section headings and a few notes moving the translation to paragraph format required changes to the punctuation and these

are now incorporated into this volume as well some improvements to the outline structure of the new testament transline were also made as an outcome of viewing the text in paragraphs may god bless you as you study his word and may god use these two works according to his good pleasure in contradiction to the tenor and direction of our current world the word of god will stand forever as objective truth corresponding to true reality from god s point of view it is not truth for me or true because it works for me but it is truth from god and therefore truth for everyone michael magill april 2008
