this book offers a concise overview of the social cultural and aesthetic sensibilities of the beat generation explaining how their drastic visions and radical styles challenged postwar america s dominant values in ways that can still be felt in literature cinema music theatre and the visual arts

description based on content as of march 15 2006

this book brings together a sensitive understanding of love and an unusually careful even painstaking analysis of the enormous but often neglected role of morality and the virtues in love martin s discussions of such virtues as caring courage fidelity and honesty are superb the examples well chosen the argument personal but nevertheless rigorous the prose accessible and enjoyable to read

this updated version of the 1988 edition strips away the curtain of myths and misconceptions that surround south africa much has happened and is still happening in this troubled land so to better understand the events of recent years the final two chapters have been revised and three new chapters have been added 1 000 color photos maps and illustrations

includes proceedings of the institute s meetings
