a deeply moving novel about a woman who thought she never wanted to be a mother and the  
many ways that life can surprise us an ode to possibility the washington post rose napolitano is  
fighting with her husband luke about prenatal vitamins she promised she d take them but didn t he  
promised before they got married that he d never want children but now he s changed his mind  
their marriage has come to rest on this one question can rose find it in herself to become a mother  
rose is a successful professor and academic she s never wanted to have a child the fight ends  
and with it their marriage but then rose has a fight with luke about the vitamins again this time the  
fight goes slightly differently and so does rose s future as she grapples with whether she can  
indeed give up the one thing she thought she knew about herself can she reimagine her life in a  
completely new way that reimagining plays out again and again in each of rose s nine lives just as  
it does for each of us as we grow into adulthood what are the consequences of our biggest  
choices how would life change if we let go of our preconceived ideas of ourselves and became  
someone completely new rose napolitano s experience of choosing and then choosing again  
shows us in an utterly compelling way what it means literally to reinvent a life and sometimes  
become a different kind of woman than we ever imagined a stunning novel about love loss  
betrayal divorce death a woman s career and her identity the nine lives of rose napolitano is about

finding one's way into a future that wasn't the future one planned and the ways that fate intercedes when we least expect it
