robbins leading the way in ob organisational behaviour shows managers how to apply the concepts and practices of modern organisational behaviour in a competitive dynamic business world written and researched by industry respected authors this continues to be australia s most popular text for introductory courses in organisational behaviour a new suite of learning and teaching resources that will excite future managers and inspire critical thinking accompanies the text

one of the world's leading management experts distills today's most important management research into 64 principles. Robbins rips away the hype, fads, and clichés that keep managers from seeing reality, delivering no-holds-barred advice for hiring, motivation, leadership, communication, performance evaluation, and more.

For undergraduate principles of management courses, real managers, real experiences, with a renewed focus on skills and careers, the new edition of this bestselling text can help better prepare individuals to enter the job market. Management 14th Edition vividly illustrates effective management theories by incorporating the perspectives of real-life managers through examples, cases, and hands-on exercises you'll see and experience management in action, helping you understand how the concepts you're learning about actually work in today's dynamic business world. Also available with MyLab Management: MyLab Management is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results within its structured environment. Students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Note: you are purchasing a standalone product; MyLab does not come packaged with this content. Students interested in purchasing this title with MyLab should ask their instructor for the correct package ISBN and Course ID. Instructors contact their Pearson representative for more information. If you would like to purchase both the physical text and MyLab, search for 0134636511 9780134636511 Management Plus MyLab Management with Pearson eText Access Card Package. The package consists of 0134527607 9780134527604 Management 013452781x 9780134527819 MyLab Management with Pearson eText Access Card for Management.

Long considered the standard for all organizational behavior textbooks, the eighteenth edition continues its tradition of making current, relevant research available to students in the language that they understand while maintaining its hallmark features.

The 7th edition of Management is once again a resource at the leading edge of thinking and research by blending theory with stimulating, pertinent case studies and innovative practices. Robbins encourages students to get excited about the possibilities of a career in management, developing the managerial skills essential for success in business by understanding and applying management theories. This is made easy with fresh, new case studies and a completely revised suite of teaching and learning resources available with this text.

For courses in principles of management, in Robbins' *Management*, 9e, students learn from real managers how to apply management theory. Students are actively engaged in putting concepts into practice, thinking and acting like real managers through the integration of various in-text assignments and unique online activities. Robbins' online learning system, *Robbins Coulter Put on Your Management Hat*.
