the title of this book pictures from the other side has a double meaning the other side in this context means a view of jakarta and indonesia from the viewpoint of an outsider a foreigner the title page illustrates this other side with a wide street cutting

through the city with the curious face of a child on the opposite side the second meaning of other side comes from the purpose of this book which i put together with my friends in europe in mind the book shows jakarta as it is however i have not deliberately searched for the ugly corners i have set out to illustrate my world as it appears to me without question indonesia has many beautiful sides which are worth to be captured in images and shown to the world and there are other books which do this very well this is my personal view in black and white photography

the other side of the law the crazy true story of how someone like this became one of the most successful lawyers in tampa paul did you really get a black eye tossed from a cab and a kiss from a stranger all in one night what happens at mardi gras stays at mardi gras unless you write a book about it get chased by cops through an orange grove cop cars don t drive well in sand live in a trailer park it was safer than the murder apartment spend your graduation party having a redneck barbecue we also got chased by a herd of cattle get a matador so mad that he threw his sword at you never disrespect a matador read all of these crazy real life stories and more in this funny heartwarming memoir and while you re reading ask yourself how someone like this became one of the most successful lawyers in tampa

contains primary source documents

in this work the author addresses a perennial question how does someone recover from a catastrophic disaster or other personal tragedy the answer she suggests may come from coastal residents who survived the 2005 hurricanes katrina and rita these survivors endured a long and painful journey after losing homes and communities in these deadly storms and their experiences provide an authentic and relatable example for other people who must overcome a life changing tragedy the other side of suffering is based on behavioral research conducted by the author in the years after the hurricanes in her research katie cherry logged thousands of miles crisscrossing the louisiana coastline and spoke with over 190 current and former coastal residents with catastrophic losses after katrina the author begins with an overview of the human impact of these disasters and then focuses on the community impact on two coastal parishes in southern louisiana the incorporation of the personal journal entries of a katrina survivor provides an intimate glimpse into the long days and months that over a million displaced gulf coast residences experienced from this research the author identifies six evidence based principles of healing faith and humor respect and gratitude and acceptance and silver linings colorful illustrations and direct quotes from the respondents bring these principles to life along with a path to healing the book also discusses grief and the new normal after a disaster as well as obstacles that may thwart the healing process ultimately the work emphasizes the importance of recovering daily routines and observances as life goes on after disaster
