with 50 years of passionate involvement in cricket extensive effort to constantly understand and improve what i do insightful exploration of such things as ancient chinese and japanese texts as well as modern psychology concepts i have developed my own philosophies and ways of doing things in cricket many of these ways are unique to me and opposite to conventional instruction whilst my hearing memory and physical condition are all in decline the satisfaction gained from understanding what motivates and can improve an individual remains a major source of inspiration often i have observed people with extraordinary talent give up just short of what they could achieve yet others with less talent but with an indomitable spirit continue on and reap the rewards of success why does this happen we simply have not been educated in how to harness and use our thinking minds wisely the result is that our efforts in life are often hit or miss importantly the wisdom contained in my book can help my

readers better identify connect with and meet the challenges that their involvement in cricket will bring
