apocalyptic scenarios remain prevalent and powerful in popular
culture television film comic books and popular fiction in
politics debates on climate change environmentalism middle east
policy and military planning and in various religious traditions
academic interest in apocalypticism is flourishing indeed the
study of both ancient and contemporary apocalyptic phenomena has
long been a focus of attention in scholarly research and a ready
way to engage the religious studies classroom apocalypses in

context is designed for just such a classroom bringing together the insights of scholars in various fields and using different methods to discuss the manifestations of apocalyptic enthusiasm in different ages this approach enables the instructor to make connections and students to recognize continuities and contrasts across history apocalypses in context features illustrations study questions and suggestions for further reading after each chapter as well as recommended media and artwork to support the college classroom the second edition includes five new chapters on topics relevant to the modern student within the original chapters there are now major revisions based on feedback related to classroom needs
