this is my new books and and you will passed it on the police officer

this book examines the problem of police corruption in such a way that the stereotype of the crude greedy cop who is basically a grown up delinquent if not an out and out robber yields to portraits of particular men often of earnest good will and even more than ordinary compassion contending with an enormously demanding and challenging job robert coles

new yorker other social scientists have observed policemen on patrol or have interviewed them systematically professor muir has brought the two together and because of the philosophical depth he brings to his commentaries he has lifted the sociology of the police on to a new level he has both observed the men and talked with them at length about their personal lives their conceptions of society and of the place of criminals within it his ambition is to define the good policeman and to explain his development but his achievement is to illuminate the philosophical and occupational maturation of patrol officers in laconia a pseudonym his discussions of the policemen s moral development are threaded through with analytically suggestive formulations that bespeak a wisdom very rarely encountered in reports of sociological research michael banton times literary supplement
