unique insights from the author on the writing of the kiss across time series a collection of essays on the inception and writing of every single book in the kiss across time series along with pithy comments on a writer s life and the peculiarities of the publishing industry all written in tracy s personal and unique style this unique collection provides insights into the strange world of publishing and a writer s work processes that go into the building of stories find out why books are written the way they are and why covers sometimes suck the differences between short stories and novels and why both are great to read learn why the viewpoint a story is written in makes a technical difference to the writer and an even bigger difference to the reader then there are the stories about tracy s childhood in australia and how she was drawn to write fiction from a very early age and why more tales about her life in canada and how everything she has lived through has contributed to the stories readers enjoy tracy s kiss across memories collects together the introductory essays found in each book in the tenth anniversary limited editions series which was only available for a very short time and never made available for retail sale the book also includes bonus material including a never before seen essay on the writing of kiss across the universe 1 0 kiss across time 2 0 kiss across swords 2 5 time kissed moments 3 0 kiss across chains 4 0 kiss across deserts 5 0 kiss across kingdoms 6 0 kiss across seas 7 0 kiss across worlds 7 1 time and two stories 8 0 kiss across tomorrow 8 1 more time kissed moments 9 0 kiss across blades 10 0 kiss across chaos 11 0 kiss across the universe 11 1 kiss across memories time kissed moments are short stories novellas and collections featuring the characters and situations featured in the kiss across time series the series has ongoing storylines and characters reading the books in order is recommended nonfiction memoir praise

for the kiss across time series cooper posey s writing is always brilliant there s something fascinating and cerebral about a kiss across time story that s more than your usual fantasy time travel story creative and amazing i really love how original tracy manages to be in a genre where everything seems to have been written i loved reading this rich complex and interesting tapestry of interwoven lives and loves gold more compulsive reading for the kiss across time series cooper posey is a master storyteller but how she manages to create these elaborate interconnected storylines that flesh out character development is incredible i haven t read a book in this series that i don t like this a series that is not one that you get tired of reading as tracy keeps everything fresh and new i thoroughly enjoyed reading this terrifically exciting book it pulls you into itself from page one and doesn t let you go until you ve read the last word

this book examines the basic tenets of nation nationalism and citizenship it explores the relevance of the nation state to human freedom and flourishing as well as the concept of citizenship that it implies in contrast to that of the ancient polis and the global community the volume focusses on the shifting notions of various political concepts over time to present a systematic understanding of core concepts such as polis nation and state from antiquity to the present it includes contributions that analyze ancient and modern thought and sections that address postmodern and contemporary thinkers including aristotle cicero hobbes locke rousseau tocqueville nietzsche arendt weil grant and manent a comprehensive handbook to introductory politics this book will be invaluable to students and teachers of political science especially political theory political philosophy democracy political participation and international relations theory

the accession of croatia to the eu marked the end of a long and arduous period of transition croatia had to meet significantly higher criteria

than previous states with suspicion and concerns among existing members about further enlargement increasing meanwhile initially strong public support in croatia declined as inconsistencies in eu policy entry criteria and problems caused by the economic crisis all combined with fears about the loss of national identity and the ability to realize national interests the successful croatian accession to the eu in 2013 shows that despite concerns on both sides the eu continues to have meaning and significance and that membership remains highly desirable through nine mutually interrelated chapters the contributors speak not only about the political and social situation in croatia but also prospects for the european union itself

democracy is both an obvious and dubious idea here s why democracy is an obvious idea for most of history most governments divided people into the few who rule and the many who obey the few then used the state to advance their own private interests at the expense of the many rulers were less like noble protectors appointed by god and more like intestinal parasites the obvious solution is to eliminate the distinction between those who rule and those who obey make every citizen both a ruler and a subject of that rule this ensures government promotes everyone s interests thus democracy is the best form of government it s too bad it took most of civilized history to realize this and too bad that the world isn t more democratic than it is here s why democracy is a dubious idea government decisions are high stakes it decides matters of war and peace prosperity and poverty freedom or oppression yet we let incompetent people steer the ship of state most voters are ignorant and process what little information they have in biased and irrational ways they fall prey to propaganda and demagogues they are conformists and don t even try to vote their interests democracy is the political equivalent of drunk driving thus democracy is a defective form of government democracy is a method by which the masses shoot themselves in their feet philosophy students often start essays by writing

since the dawn of time humanity has pondered in this case these arguments and concerns are old if not dawn of time old we find laypeople pundits social scientists and philosophers making these two arguments today but in ancient athens socrates plato and aristotle said similar things
