taking forward the debate on the role and power of institutions for treating and incarcerating the insane this volume challenges recent scholarship and focuses on a wide range of factors impacting on the care and confinement of the insane since 1850 including such things as the community poor law authorities local government and the voluntary sector questioning the notion that institutions were generally benign and responsive to the needs of households this work also emphasizes the important role of the diversity of interests in shaping institutional facilities a fresh stimulating step forward in the history of institutional care mental illness and learning disability since 1850 is undoubtedly an important resource for student and scholar alike

the life and times of walter reuther an unfinished liberal legacy recounts the events and social movements that have shaped modern america and examines reuther s involvement in them for over thirty years walter reuther and his united automobile workers union were in the vanguard of voices advancing liberal economic and social policies that raised the standard of living for many americans extended the protection of the law and provided a measure of security for the aged infirm disabled and unemployed in the narrative reuther serves as the lens through which a period of labor advances civil rights struggle and hot and cold wars are viewed from a liberal perspective the book follows walter and victor reuther on their european adventure to their ancestral

homeland during the rise of hitler and into the gorky autoworks factory in soviet russia the pair returned home to the labor battles in flint and dearborn that established a uaw presence in the factories and brought walter reuther to the bargaining table to negotiate the agreements that served as the treaty between labor and management for over two decades reuther s story includes assassination attempts confrontations with senator goldwater and nikita khrushchev and a presence on the world stage and on the steps of the lincoln memorial when martin luther king recounted his dream in the later chapters the book looks beyond the life of the man and the events of his time and seeks to advance a liberal legacy that recently has been relentlessly attacked and too timidly defended
