social welfare policy responding to a changing world is a topical comprehensive introduction to social welfare policy it uses a contemporary framework that explicitly addresses three forces that have redefined the social policy arena the growth of the information economy the rise of globalization and our current environmental crisis this framework is applied to the six traditional arenas of policy child and family services health and mental health poverty and inequality housing and community development crime and violence and aging and explores how to find solutions to both long enduring and brand new problems john mcnut and richard hoefer s introductory text represents a move forward in social welfare policy thinking that is built on the latest scholarship and teaches students that the time to create social policies for the future is in the present

social welfare policy responding to a changing world is a topical comprehensive introduction to social welfare policy it uses a contemporary framework that explicitly addresses three forces that have redefined the social policy arena the growth of the information economy the rise of globalization and our current environmental crisis this framework is applied to the six traditional arenas of policy child and family services health and mental health poverty and inequality housing and community development crime and violence and aging and explores how to find solutions to both long enduring and brand new problems john mcnut and richard hoefer s introductory text represents a move forward in social welfare policy thinking that is built on the latest scholarship and teaches students that the time to create social policies for the future is in the present

social policy and change in east asia is a collection of essays from a group of indigenous east asian social policy researchers who met bi annually to discuss social development issues the book s focus is the policy responses of respective east asian government since the 2008 financial tsunami struck the region together the essays in social policy and change in east asia argue that traditional social policy approach has failed to account for the problem of economic volatility and to devise policy measures that can promote long term stability avoiding a static and eurocentric approach the authors of this book seek to unravel the meaning of the social development approach in various policy contexts this book supports a dynamic understanding of social policy formulation that does not neglect the problem of economic turbulence in policy and planning

the chapters in this book each consider a specific social category such as class gender or disability and evaluate the experience and understanding of housing and social policy under these categories

this cutting edge handbook argues for social protection to be situated in a wider system of social welfare and development programmes for low and middle income countries focusing on the role of citizens and communities in enhancing human development it explores how welfare systems are unfolding in diverse contexts across the global south

this thoroughly updated new edition provides a comprehensive introduction to contemporary social policy and addresses its historical theoretical and contextual foundations divided into four sections it opens with a survey of the socio economic political and governmental contexts within which social policy operates before moving on to look at the historical development of the subject the third section examines contemporary aspects of providing welfare whilst the final part covers european and wider international developments the text explores the major topics and areas in contemporary social policy including work and welfare education adult health and social care children and families crime and criminal justice health housing race disability issues are addressed throughout in a lively and accessible style and examples are richly illustrated to encourage the student to engage with theory and content and to help highlight the relevance of social policy in our understanding of modern society it is packed with features including spotlight discussion and review and controversy and debate boxes as well as further readings and recommended websites a comprehensive glossary also provides explanations of key terms and abbreviations social policy is an essential textbook for undergraduate students taking courses in social policy and related courses such as criminology health studies politics sociology nursing youth and social work

the uses of social investment provides the first study of the welfare state under the new post crisis austerity context and associated crisis management politics to take stock of the limits and potential of social investment it surveys the emergence diffusion limits merits and politics of social investment as the welfare policy paradigm for the 21st century seen through the lens of the life course contingencies of the competitive knowledge economy and modern family hood featuring contributions from leading scholars in the field the volume revisits the intellectual roots and normative foundations of social investment surveys the criticisms that have leveled against the social investment perspective in theory and policy practice and presents empirical evidence of social investment progress together with novel research methodologies for assessing socioeconomic rates of return on social investment given the progressive admittedly uneven diffusion of the social investment policy priorities across the globe the volume seeks to address the pressing political question as to whether the social investment turn is able to withstand the fiscal austerity backlash that has re emerged in the aftermath of the global financial crisis

monographic compilation of essays exploring interaction between sex based social roles social research and social policy with respect to women in both developed countries and developing countries considers the dialectic between research and policy concerning female social status the deliberate use of family fertility and other policies to change sex roles women as policy makers women s rights and the role of international law etc bibliography after each essay

37631 5 gilbert neil dimensions of social welfare policy 5 e this social welfare policy book provides a comprehensive theoretical framework for the analysis of social welfare policy the book illustrates theoretical points by offering examples from a cross section of program areas including income maintenance child welfare model cities day care community action and mental health the book also shows how social theories and individual versus collective value orientations influence policies for social workers or students studying social welfare policy

the field of social policy has produced numerous academic studies most of which either introduce social policy and welfare programs or focus on advocacy strategy and tactics in this work hobart burch takes the much less common approach of examining and explaining the thought reasons and philosophy behind social policy and the policy choices that must be made in a broad based and eminently readable way burch applies general philosophical principles to real world issues and choices relating our traditional notions of equality fairness and liberty to such practical problems as poverty social welfare and the welfare state blending perspectives from several different professions burch provides frameworks for analyzing fundamental social policy issues and choices he draws on concepts and choices from both recent and historical policies and programs identifying the timeless issues that continually present themselves in slightly different forms to enable the reader to analyze each new situation and develop creative responses each chapter identifies a different set of issues and the alternative values and principles that can apply burch also offers a step by step model for analyzing these issues and reaching a decision among the topics covered are socioeconomic systems the welfare state civil rights and entitlements and policies of taxation and redistribution policies this book will be an important new resource for scholars and policy makers in social work social planning and philosophy and policy issues as well as a useful addition to both academic and public libraries

this book explains why countries have adopted different policies for working parents through a comparative historical study of four nations france the netherlands sweden and the united states

based on both quantitative and qualitative data drawn from annual public opinion surveys discusses public knowledge of national insurance schemes and public opinion regarding entitlement and the need for reforms to social security

explains and analyses the development of contemporary social policy in aotearoa new zealand it helps students to understand the conflicting values and perspectives in policy making and implementation and to relate the theories of social policy with the practices they will encounter in the field

state governments in the past decade have had to take on the problem of health care with mixed results this collection of 11 essays of which two are an introduction and conclusion by academics and policy makers consider the many issues that concern health care in the us and their effects at the state level including managed care health insurance expansion mental health care public health administration and bureaucratic reactions to health policy hackey teaches health policy and management at providence college in rhode island rochefort teaches political science and public administration at northeastern u in boston c book news inc
