macroeconomics understanding the global economy 3rd edition is to help students and indeed anyone understand contemporary and past economic events that shape the world we live in and at a sophisticated level but it does so without focusing on mathematical techniques and models for their own sake theory is taken seriously so much so that the authors go to pains to understand the key

aspects of theories in a way that will not put people off before they see how theories are useful to analyse issues the authors believe that theories are essential to better understand the world thus the book includes a wealth of historic and current episodes and data to both see how theories can help interpret the world and also to judge their validity economies today are very inter connected what happens in china matters pretty much everywhere and what happens in one even small country in the euro zone has implications for the whole euro area and beyond consequently macroeconomics 3rd edition adopts a very international focus

written with a strong business focus miles and scott s macroeconomics and the global business environment second edition examines fascinating real world economic issues shows why these issues matter and uses them as an entry point into advanced economic theory throughout the authors present technical material clearly and accessibly allowing students to develop a solid understanding of the global economy and how economists think about it

market desc economists financial analysts economic students special features discusses geographical and historical events in a global perspective contains more references for the purpose of advanced research examines the effects of consumption investment monetary policy stabilization policy equity markets and bond markets on business cycles looks at real exchange rates nominal exchange rates and global capital markets currency crises exchange rate regimes and single currencies describes fiscal policy and the role the government plays in the economy about the book the goal of this book is to help the reader understand how the global economy works and the way economists think completely up to date and full of international data the second edition covers current events as well as many striking historical examples the information will enable the reader to think more clearly about the economy and evaluate the arguments of economists

a non technical introduction to macroeconomics which considers such issues as inflation unemployment and exchange rate policy throughout the text economic theory is related to the real world and case studies from a range of industries are included

a revised and updated edition of a very successful macroeconomics textbook the authors deal with sophisticated issues using advanced economic theory but in a manner that is accessible to anyone taking a single course in macroeconomics they begin with real world economic issues and describe why these matter before embarking on economic theory ensuring that readers emerge with

a good practical understanding of the global economy and how economists think about it

economics is a very significant field to master if you want to succeed in life or at the least understand how the world around you influences your conditions and decisions economics governs everything from the price you pay for your coffee to the politics governing you and the rest of the country think about all the things that is happening now wars political conflicts between countries and companies compete if you don't care about these things think about your consume food shelter clothing transportation healthcare and entertainment how do you acquire those items you do not produce them yourself you buy them how do you afford the things you buy you work for pay or if you do not someone else does on your behalf yet most of us never have enough to buy all the things we want if you still do not believe that economy is not important consider the following does everyone need food to eat does everyone need a decent place to live does everyone have access to healthcare in every country in the world there are people who are hungry homeless for example those who call park benches their beds and in need of healthcare just to focus on a few critical goods and services why is this the case all of these problems will be understood if we understand the economy and its impact on our lives

the goal of this text is to help the reader understand how the global economy works and the way economists think completely up to date and full of international data the book covers current events as well as many striking historical examples enables the reader to think more clearly about the economy and evaluate the arguments of economists
