examines just how the important goals of educating for democracy can be achieved from the perspective of those working in teacher education and in p 12 schools

textbook

citizen support for democratic and autocratic regimes takes a political culture perspective on the struggle between democracy and autocracy by examining how these regimes fare in the eyes of their citizens taking a globally comparative approach it studies both the levels as well as the individual and system level sources of political support in democracies and autocracies worldwide the book develops an explanatory model of regime support which includes both individual and system level determinants and specifies not only the general causal mechanisms and pathways through which these determinants affect regime support but also spells out how these effects might vary between the two types of regimes it empirically tests its propositions using multi level structural equation modeling and a comprehensive dataset that combines recent public opinion data from six cross national survey projects with aggregate data from various sources for more than 100 democracies and autocracies it finds that both the levels and individual level sources of regime support are the same in democracies and autocracies but that the way in which system level context factors affect regime support differs between the two types of regimes the results enhance our understanding of what determines citizen support for fundamentally different regimes help assessing the present and future stability of democracies and autocracies and provide clear policy implications to those interested in strengthening support for democracy and or fostering democratic change in autocracies comparative politics is a series for researchers teachers and students of political science that deals with contemporary government and politics global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour the series is published in association with the european consortium for political research for more information visit ecprnet.eu the series is edited by susan scarrow chair of the department of political science university of houston and jonathan slapin professor department of political science university of zurich

natan sharansky believes that the truest expression of democracy is the ability to stand in the middle of a town square and express one's views without fear of imprisonment he should know a dissident in the ussr sharansky was jailed for nine years for challenging soviet policies during that time he reinforced his moral

conviction that democracy is essential to both protecting human rights and maintaining global peace and security sharansky was catapulted onto the israeli political stage in 1996 in the last eight years he has served as a minister in four different israeli cabinets including a stint as deputy prime minister playing a key role in government decision making from the peace negotiations at wye to the war against palestinian terror in his views he has been as consistent as he has been stubborn tyranny whether in the soviet union or the middle east must always be made to bow before democracy drawing on a lifetime of experience of democracy and its absence sharansky believes that only democracy can safeguard the well being of societies for sharansky when it comes to democracy politics is not a matter of left and right but right and wrong this is a passionately argued book from a man who carries supreme moral authority to make the case he does here that the spread of democracy everywhere is not only possible but also essential to the survival of our civilization his argument is sure to stir controversy on all sides this is arguably the great issue of our times

in this original study abbas pourgerami provides a comprehensive analysis of economic development and its relationship to political democracy evaluating statistical associations among social economic and political performance variables of 104 third world countries pourgerami determines the prospects for democracy in the developing world he demonstrates that economic well being and political liberty are mutually reinforcing processes challenging the traditional notion that economic progress necessitates sacrifices to democratic government

explores the relationship between islam and democracy through contributions who address the problem from different angles highlighting how politics and religions have used each other at macro and micro levels in pakistan

little more than a decade after the fall of communism the baltic states and poland alongside several other central european states have been invited to join the european union from 2004 the speed of change has been breathtaking surprising even the most optimistic voices this volume gives a comprehensive overview of the state of democracy around the eastern baltic seaboard highlighting in particular the importance of elites in newly emerging democracies this is the first first volume to provide in depth analysis of the rapidly changing political circumstances of the baltic countries poland and kaliningrad to a wide audience covering the transformation from the soviet style nomenklatura to competitive elites changing

political behavior and the links between citizens and elites in addition the book covers the interconnections between networks of elites including local elites one chapter also analyzes the delicate issue of the detached russian region of kaliningrad
