a color illustrated textbook that opens with an overview of the sociological tools and perspectives that are used in the study of social problems it then disusses fundamental changes and problems in four basic social institutions the economy government education and family before examining more specific topics such as health care and poverty this updated edition adds two new features signs of hope boxes and personal perspectives boxes annotation copyright by book news inc portland or

social problems and inequality explores integrated and root cause based explanations of complex social problems written in clear and understandable language allowing it to be used for classroom purposes it addresses the most fundamental principles of how humans acting through social units create and eventually can remedy social problems with a central focus on the problem of inequality and the manner in which this is manifested in crime social class and stratification this book examines the key theoretical perspectives relevant to the study and solution of social problems whilst drawing upon rich illustrations and case studies from the us and europe to offer a thorough examination of the nature common root causes and social remedies of social problems providing discussions of both theoretical approaches and concrete applications social problems and inequality investigates the sources of various prejudices and attitudes that contribute to social problems and the associated issues of globalization economic greed and imperialism accessible in style and comprehensive in its coverage this book will appeal to students and scholars of social problems across the social sciences

each chapter in this innovative social problems text is written by a specialist or pair of specialists from appropriate subfields within sociology the typical single author approach is limiting given the complexity of the contemporary issues surrounding each social problem discussed involving many content experts ensures that the theories research and examples used in each chapter will be as current and relevant as possible chapters open with personal statements from the contributing authors discussing how they got involved with studying the problem they are writing about javier trevino serves as the general editor making sure that each author follows the chapter template and maintains a consistency in level and style

there is no adequate definition of social problems within sociology and there is not and never has been a sociology of social problems that observation is the point of departure of this book the authors aim to provide such a definition and to prepare the ground for the empirical study of social problems they are aware that their objective will strike many fellow sociologists as ambitious perhaps even arrogant their work challenges

sociologists who have over a period of fifty years written treatises on social problems produced textbooks cataloguing the nature distribution and causes of these problems and taught many sociology courses it is only natural that the authors work will be viewed as controversial in light of the large literature which has established a sociology of a wide range of social problems the sociology of race relations prostitution poverty crime mental illness and so forth in the 1970s when the authors were preparing for a seminar on the sociology of social problems their review of the literature revealed the absence of any systematic coherent statement of theory or method in the study of social problems for many years the subject was listed and offered by university departments of sociology as a service course to present undergraduates with what they should know about the various social pathologies that exist in their society this conception of social problems for several decades has been reflected in the substance and quality of the literature dominated by textbooks in constructing social problems the authors propose that social problems be conceived as the claims making activities of individuals or groups regarding social conditions they consider unjust immoral or harmful and that should be addressed this perspective as the authors have formulated it conceives of social problems as a process of interaction that produces social problems as social facts in society the authors further propose that this process provided by publisher

empower your students to become part of the solution with a clear and upbeat voice author anna leon guerrero s thought provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution the fifth edition of social problems community policy and social action goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions with an overarching focus on social inequalities and policy this proven text provides a platform for discussion that encourages critical thinking and inspires hope the extra emphasis on social action and movements is a real strength i like that the three major perspectives are used in each chapter as i feel many texts just put that in the first chapter and then forget about it todd michael callais university of cincinnati blue ash
