How to Live the Christian Life is exactly what it says: chapter by chapter, lessons on how to live the greatest life possible, the Christian life. This includes living in victory, obedience, and faith; you will learn how to get along with others all the time; how to pray; how to walk in the power of the Spirit; and appropriate the promises of God into your life; how to endure hardships and disappointments and come out stronger than ever; how to love God and others; and much more. While sticking close to the Scriptures, it is full of illustrations, especially humorous and historical.

A new kind of Bible study. After the success of her first two books, Heather Holleman received many requests to write a Bible study, and as a college English instructor, she wanted to make sure it really taught and didn't simply inform. So she surveyed several women about what their dream study would look like. Then got to work. The result is included in *Christ: A Narrative-Driven Study*, where you can bring your life before Scripture in the context of community. Together, women will discern their personal shadow narratives, ways they are living outside of their identity in Christ, and then rewrite those narratives according to biblical truth. This in-depth, 8-week study in Ephesians will equip women with six signature stories of God's work in their lives, helping them combat exclusion, loneliness, weakness, decay, emptiness, and silence. Designed to facilitate honest sharing and help you internalize biblical truth, *In Christ* will provide community and connectedness, as well as spiritual nourishment. It will also guide you in how to share your story and the hope of Christ with someone who doesn't yet know Him.
