based on interviews with randomly selected former offenders this book takes a fresh look at the course and nature of crime it cuts across theorising trying to understand what people actually experience why they do what they do and to get a picture of successful change as the justice department s centennial fellow dr leibrich tracked down fifty offenders who had been sentenced to supervision in 1987 and not reoffended three years later she asked them why not the people who participated in the interviews did so because they wanted to and their stories make this a moving piece of research the author soon found that going straight was curved that the people she interviewed did not fall into such neat categories as straight and crooked her methodology which she describes in detail in the appendices needed to grapple with the many subtleties of her material and drew on different kinds of research strategies utilising their strengths in an exciting account of her approach to problem solving on the basis of trial and error and intuition the reader gains insight into the personal experience of the research process the pitfalls and highlights the frustration and anxiety of data collection will i find trinity is the guy i m going to meet really okay do

i include people who have reoffended does my write up reflect people s real experience the result this book is tight and rigorous in its analysis but does justice to the richness and warmth of the data valuing the words and actions of the people who participated in the study book jacket title summary field provided by blackwell north america inc all rights reserved

it is quite clear said cornish that the malgamite scheme is a fraud it is worse than that it is a murderous fraud for von holzen s new system of making malgamite is not new at all but an old system revived which was set aside many years ago as too deadly if it is not this identical system it is a variation of it they are producing the stuff for almost nothing at the cost of men s lives in plain english it is murder and it must be stopped at any cost you understand
