due to the impact of capitalism abrupt global changes are emerging in human life irrespective of age race gender or social ranks everyone is under spell of temptation and rivalry to proceed ahead for hoarding maximum in minimum time through fair or foul sources as a result the new generation is at stake

because parents avoid taking the serious psychological responsibility of providing love security respect belongingness and appreciation for developing an integrated personality as a citizen people are enchanted under temptation and competition so religious rule as well as moral ethical values and mannerism are at stake this trend has gained global momentum so the underdeveloped countries are equally affected and their lifestyles political social and religious authorities are at the mercy of this trend job markets and local politics are indirectly under the grip of the super powers who have hampered peace and triggered psychological sufferings in fact there is a precise social moral derailment and variant complicated mental health problems are triggering so it is an alarming dilemma for human beings

life and death brings together philosophical and literary works representing the many ways metaphysical scientific analytic phenomenological literary in which philosophers and others have reflected on questions about life and death

ordinary lives death and social class focuses on the evolution of the dublin city coroner s court in the late nineteenth century using a wealth of inquest data to understand the impact of urban living from lifecycle and class perspectives revealing histories from both above and below

life death and after why a biblical perspective by jack m hilliard have you ever wondered why you are here what life is really about when and how you will die what happens after death all these questions are important throughout generations all people have asked these questions our life could end at any moment without notice the end of this world as we know it may be near if that did happen would you be ready to face death this book will explain what we should be doing today to prepare for this event it will also explain what god says happens after death we will explain why the bible is without error and how we can trust its truths about life death and all other subjects life is not a promise it is a gift each of us will face death are you ready jack m hilliard received his bs and mba from california coast university he is the author of understanding revelation isbn 978 1 60791 055 8 hardback and isbn 978 1 60266 650 4 paperback published by xulon press in 2007 and 2008 jack has been a student of the bible since his salvation experience in 1978 he has served god by teaching sunday school for over twenty years teaching teachers serving as chairman of the deacons finance committee personnel committee etc jack retired in 2005 after serving 35 years in the utility industry where he held positions of leadership as he served as general manager of a utility president and chairman of the board of directors of the tennessee valley municipal gas association alabama natural gas association american public gas association electric cities of alabama and apga research foundation inc he also served on the board of directors of the gas research institute and gas technology institute

sooner or later we all face the questions explored in with or without god life s mysteries continue questions about the purpose of life human mortality spirituality god and life beyond the grave the title conveys the author s tentativeness perhaps humility there are no postulates here no truths to be revealed

these are ruminations what makes these ruminations notable is that they are those of a man who in his own words has traversed centuries of human experience in 66 years and in the process acquired a unique perspective on life and nature mhlaba grew up in zimbabwe in what he calls a pre modern age he has lived in fear of spooks and ghosts worshipping ancestral spirits and was subject to the tyranny of witches and the machinations of unseen forces he could have easily remained in that life as his forebears had done before him fortunately his parents understood that he and his siblings would live much of their lives in a changed world and prepared them through education the book ends with a fascinating look into the future of humankind taking the reader through uncharted territory and a new sense of awe about the meaning of life and what may lie beyond mhlaba went on to earn a ph d and taught physics and mathematics at university level he now lives in newton massachusetts with his wife nancy they have four grown children mhlaba is currently writing a book on global governance

in recent years security actors have become increasingly concerned with health issues this book reveals how understandings of race sexuality and gender are produced reproduced through healthcare policy analysing the plasma of paid mexicana o donors in the us airport vomit in ebola epidemics and the semen of soldiers with genitourinary injuries this book shows how security practices focus upon governing bodily fluids using a variety of critical scholarship feminist technoscience queer studies and critical race studies this book uses fluids to reveal unequal distributions of life and death

in this book the author of on having no head investigates the most poignant problem our life poses what lies at the end of it he asks us to check four things first that to discover whether we are perishable we must first discover what we are second that outsiders are in no position to tell us this they can only tell us what we look like at a distance third that what we are is obvious as soon as we dare to look and fourth that we turn out to be in all respects the opposite of what we had been told this revolutionary conclusion is arrived at by doing the nine tests for immortality that form the backbone of the book then our identity and immortality having been firmly established we apply this knowledge to the fact of ageing and of dying itself thus realizing their infinite potential for joy finally the book explores in detail the true resurrection life life lived in a heaven which is none other than this earthly scene perceived as it is the open secret is no longer secret douglas harding s little book of life and death makes the insights of the sages accessible to all courageous personal and inspiring this book asks the most difficult questions about life and death and to our and apparently even the author s amazement answers them like harding s classic book on having no head this work is written in a down home heartfelt style read this book do the experiments which are harding s unique and powerful contribution to what might be called the technology of enlightenment get ready to die and to live anew robert w fuller former president oberlin college the literature on dying will never be the same again ram dass

a gripping exploration of the afterlife and its implications for the living grantham s book of life and death is a must read for anyone interested in the

mysteries of existence drawing from a variety of religious and philosophical traditions grantham offers a nuanced and insightful perspective on the ultimate questions of human existence this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

this work focuses upon the military problems of the ottoman empire in the era 1839 to 1878 the author examines the crimean war 1853 to 1856 from the perspective of the ottoman army using british and french sources as well as the few available ottoman materials scholarship on the war has ignored this aspect but the high quality of work about the british french and russian involvement in the war has enabled the present study to advance its own work the inability of the ottoman high command to learn the lessons of the crimean war led to serious defeats in the russo turkish war of 1877 1878 revolts occurring in this period also receive attention while the book analyzes the nature of war in the balkans and anatolia its primary objective is the study of the war s social and psychological influences this perspective runs as a theme throughout the book but the author focuses on the psychological aspects in the final chapter using comparative perspectives

the relation between life and death is a subject of perennial relevance for all human beings and indeed the whole world and the entire universe in as much as according to the saying of ancient greek philosophy all things that come into being pass away yet it is also a topic of increasing complexity for life and death now appear to be more intertwined than previously or commonly thought moreover the relation between life and death is also one of increasing urgency as through the twin phenomena of an increase in longevity unprecedented in human history and the rendering of death dying and the dead person all but invisible people living in the industrialized and post industrialized western world of today have lost touch with the reality of death this radically new situation and predicament has implications medical ethical economic philosophical and not least theological that have barely begun to be addressed this volume gathers together essays by a distinguished and diverse group of scientists theologians philosophers and health practitioners originally presented in a symposium sponsored by the john templeton foundation
