who or what is god how do different religions interpret god s existence how can we know god many people believe in god not just throughout history but also in the present day but who or what is it they believe in many different and sometimes conflicting answers have been suggested to this question this very short introduction explores some of the answers provided by philosophers poets and theologians and considers why some people believe in god and others do not john bowker explores how the major religions established their own distinctive beliefs about god and how they interpret god s existence and concludes by looking at how our understanding of god continues to evolve about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

the intent of this book is to provide a simple but accurate description of god the creator and sustainer of life as revealed in the bible it is intended for those not previously acquainted or personally familiar with father god jesus the son or the holy spirit who are one in purpose but three in activity the book gives examples of the power love compassion and justice that god represents to a fallen world many of his attributes and traits are discussed some mysteries are exposed and explained there is also a short chapter on the salvation process that enables anyone to claim eternal life through the grace of god revealed in jesus and identified by the seal of the holy spirit in the hands of one who seeks life to the fullest wishes to live eternally and seeks their father s blessings this book will clarify and assist in meeting your greatest need god bless your journey

the questions to which this book addresses itself were first put to me in a philosophically rigorous way by john and he was the first to guide me to care about trying to answer them in a similar fashion anybody who is familiar with the work of richard will recognize his influence on almost every page of this book on starting points we are often in complete agreement on conclusions less so

growing out of a series of public lectures presented to a large audience of non theologians this book is one of the most attractive introductions to theology to appear in recent years perhaps as the author herself indicates introduction is not the best word to describe the book for above all the book is an invitation to share dorothee solle's enthusiasm for theology and her delight in the beauty and the power of religious and theological language and the themes it expresses thinking about god covers all of the major areas of modern theology after discussing the nature of systematic theology and comparing orthodox liberal and radical approaches it looks at the use of the bible in theology then follow chapters on creation sin feminist liberation theology the understanding of grace black theology jesus cross and resurrection the kingdom of god and the church the theology of peace the end of theism and the question of god a bibliography is provided at the end of each chapter and dorothee solle who is familiar with theology on both sides of the atlantic has herself revised the entries for the english language edition dorothee solle has taught philosophy literature and theology at several german universities and has been on the faculty of union theological seminary new york

belief in god answers two questions what if anything is it that jews christians and muslims are agreeing about when they join in claiming that there is a god and what if any prospects are there for rationally defending or attacking this claim a highly accessible and engaging introduction to the philosophy of religion this book offers full coverage of the key issues from ideas about god's nature and character to arguments for and against his existence

this is a clear and concise and original investigation of god's nature and existence first of all it considers among other things two of god's traditional properties being all knowing and being all powerful it argues he cannot possess these properties but it argues this is in accord with him being worthy of worship secondly it introduces the notion of evil being overridden it argues he has to bring about other free living things and it is plausible they have to be liable to experience evil due to their conditions but it argues the evil in this world is overridden thirdly it considers the principal arguments for the claim he does not exist they refer to the evil in the world it argues they do not establish sufficient grounds for this claim finally it considers some well known arguments for the claim he exists it argues they face difficulties it sets out other arguments eg some arguments to increase any degree of belief one has that god can exist it includes a number of appendices god's sovereignty are there sufficient grounds for the claim that very probably god does not exist theodicy and some theodicies some further remarks on god and time some further remarks on a living thing which possesses the power to do this or that freely some remarks on god being simple some remarks on god being present in a spatial realm and god being present in a non spatial realm it covers as a whole the principal parts of the philosophy of religion it unifies these parts to a significant degree it proceeds regularly by way of formal and clear arguments it will be of interest to advanced students and specialists in philosophy religious studies and theology given its explanation of key terms its jargon free language its clarity and brevity it will be of interest to others too

in the nature of god gerard hughes takes the central attributes ascribed to god such as existence simplicity omniscience omnipotence and goodness and gives them a historical and analytical background incorporating texts by aquinas ockham molina descartes hume and kant he aims to give the reader first hand acquaintance with these classic writers and to then discuss their arguments in the light of contemporary debate while the focus of the nature of god is on the philosophy of religion hughes widens his scope to consider its implications in epistemology metaphysics and moral philosophy the issues he considers include necessity and possibility the relation of logic to epistemology and the connections between causation and moral philosophy

in recent years the doctrine of god has once again become a central focus of theological discussion and debate in this ecumenical international and contextual introduction internationally respected scholar veli matti kärkkäinen offers a global survey of understandings of god in scripture christian history and contemporary theology this new edition incorporates developments in theological research over the past decade and has been substantially updated throughout

this introduction to god also appears as the introduction in the book of love by liane rich this little book is packed with new insights into what just may be the true nature of god we all have choices in this life and we may choose to see god in any way we wish many of us stick with what we were taught in childhood and this can lead to a belief that god is authoritarian and punitive what if god is completely different from what we have been taught and what if god would like to set the record straight so that we might see him her it in a whole new way what if god were loving and compassionate and all encompassing forgiveness with no tendencies towards anger or judgment would you want to know for the love of god an introduction to god originally appeared as the introduction to the book of love and is now being made available in this separate publication it is an in depth introduction to the voice of god that speaks to liane rich and channels books through her this voice originally introduced itself to liane as god and she allows it to continue to share information under that name here is an excerpt from the first page okay here we go first off i am god and i do not hate anyone for anything they have done second i do not believe it is necessary to punish in any way whatsoever punishment is man s creation and has nothing to do with god third i do not wish to go down in history as an ogre i do not condemn anyone to hellfire for eternity and i will never take part in such actions if you wish to teach that god is a punishing ruler i wish you to stipulate that it is your belief that such a god exists but that your belief has no relationship to the truth

how can we in our times understand the biblical concept that human beings have been created in the image of an invisible god this is a perennial but increasingly pressing question that lies at the heart of theological anthropology humanity in god s image an interdisciplinary exploration clarifies the meaning of this concept traces different jewish and christian interpretations of being created in god s image and reconsiders the significance of the imago dei in a post holocaust context as normative counterfactual notions human dignity and the imago dei challenge us to see more claudia welz offers an interdisciplinary exploration of theological and ethical visions of the invisible by analysing poetry and art welz exemplifies human self understanding in the interface between the visual and the linguistic the content of the imago dei cannot be defined apart from the image carrier an embodied creature compared to verbal visual and mental images how does this creature as a living image refer to god like a metaphor a mimetic mirror or an elusive trace combining hermeneutical and phenomenological perspectives with philosophy of religion and philosophy of language semiotics art history and literary studies welz regards the imago dei as a complex sign that is at once iconic indexical and symbolical pointing beyond itself

this is a fascinating analysis and response to the fundamental questions that face any believer today sadly becoming daily more topical this book explores all aspects of evil our contemporary and theological understanding and the ways in which evil presents itself in society today fully grounded in the bible evil and the justice of god is sparkling erudite provocative and particularly relevant in the wake of new global terror attacks accounts of cruelty death and terrorism hit us every day we are forced to ask fundamental questions about god and the nature of evil which demand a theological resolution that is mature profound and never glib n t wright explores these pivotal questions with a fresh and engaging approach combining the virtues of detailed scholarship with an accessible style he neither ducks the awkward nor avoids the unpalatable but instead offers a new often surprising perspective in his search for a meaningful response to the problem of evil the rt revd tom wright bishop of durham is that rare breed of teacher who can reach people of all levels of understanding despite working not at the coalface but largely as an academic theologian daily telegraph

in these conferences dating to 1961 thomas merton provides for his audience of young monks an overview of major themes and figures in the christian mystical tradition as an integral part of their religious inheritance and a crucial part of their spiritual formation from fathers of the church such as st athanasius and st gregory of nyssa through such important medieval theologians as st bonaventure hadewijch and meister eckhart to the great spanish carmelites st teresa of avila and st john of the cross merton traces such key topics as the integration of theology and spirituality the importance of natural contemplation recognizing the divine presence in creation the centrality of apophatic or dark contemplation and the role of spiritual direction in forming mature and balanced

contemplatives

did you ever just want to read a book about the christian life that would explain how it would express itself in the life of believers the christian life series is comprised of three books that are separated according to themes to show believers what the christian life is all about and how it will express itself the first book what matter is this deals with the matters that establish the foundation of the christian faith such as salvation love grace faith and holiness the second book the challenge of it addresses that which challenges this incredible walk by establishing that it is a matter of knowing god properly investing in a relationship with him accepting his invitation disciplining attractions and letting go of the past the final book the reality of it reveals how the christian life will express itself in our walk it unveils the spiritual man defines what it means to be a disciple and what it entails to walk in the light in order to adhere to what we have been predestined to fulfill this is a book that every serious minded follower of jesus will not only want to read and study but to meditate on in order to gain the nuggets of truth that have been interwoven into each presentation
