selected spiritual writings of walter rauschenbusch 1851 1918 a baptist minister and theologian who was the primary voice of the social gospel movement in the early 20th century his recovery of the social implications of jesus teaching on the kingdom

of god prefigured many elements of later liberation theology

this biography looks at the life of walter rauschenbusch the primary theologian of the social gospel movement of the early twentieth century

walter rauschenbusch is credited by many interpreters as the fountainhead of the social gospel in america an american baptist minister of german heritage rauschenbusch was the prophet of a movement that created a watershed in american religious thought a theological educator social activist and church historian rauschenbusch is continually revisited a century after his death this three volume set makes available the original texts of a seminal thinker in an authorized and critical edition volume ii is oriented toward an ethical appreciation of the life and works of walter rauschenbusch ethicist david gushee provides an in depth analysis of rauschenbusch s ethics tracing in particular the course of development of christian ethics and rauschenbusch s contribution included are rauschenbusch s major works christianizing the social order 1912 dare we be christian 1914 and the social principles of jesus 1916 also included are shorter works unto me 1912 some moral aspects of the woman movement 1913 and the greatest of these 1913 a dynamic thinker whose ethics reveal an evolving character from a strictly biblicist method to his being influenced by socialist thinkers german historicism american progressive era economics and his own empirical observations rauschenbusch sharply critiqued western industrialism in light of the life and teachings of jesus of nazareth

letters poems prayers articles and sermons by this evangelist and social reformer who was a major influence on the development of american spirituality

drawing on primary sources evans examines all facets of rauschenbusch s life from his upbringing in a german immigrant family to his early ministry amid the tenements in hell s kitchen in new york city to his rise as the major american spokesman for the social gospel movement

in this first of three volumes dorrien identifies the indigenous roots of american liberal theology and demonstrates a wider longer running tradition than has been thought the tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism it is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of christianity as an ethical way of life and its commitment to make christianity credible and socially relevant to modern people dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including william c channing ralph waldo emerson horace bushnell henry ward beecher elizabeth cady stanton and charles briggs dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom

american baptists emerged from the civil war as a divided group slavery landmarkism and other issues sundered baptists into

regional clusters who held more or less to the same larger doctrinal sentiments as the century progressed influences from europe further altered the landscape a new way to view the bible more human less divine began to shape baptist thought moreover darwinian evolutionism altered the way religion was studied religion like humanity itself was progressing conservative baptists proto fundamentalists objected to these alterations baptist bodies had a new enemy theological liberalism the schools were at the center of the story in the earliest days as professors many of whom studied abroad returned to the united states with progressive ideas that were passed on to their students soon these ideas were being presented at denominational gatherings or published in denomination papers and books baptists agitated over the new views with some professors losing their jobs when they strayed too far from historic baptists commitments by 1920 the northern baptists in particular broke out into an all out war over theology that came to be called the fundamentalist modernist controversy this is the fifty year history behind that controversy

in their studies of social christianity scholars of american religion have devoted critical attention to a group of theologically liberal pastors primarily in the northeast gary scott smith attempts to paint a more complete picture of the movement smith s ambitious and thorough study amply demonstrates how social christianity which included blacks women southerners and westerners worked to solve industrial political and urban problems reduce racial discrimination increase the status of women curb drunkenness and prostitution strengthen the family upgrade public schools and raise the quality of public health in his analysis of the available scholarship and case studies of individuals organizations and campaigns central to the movement smith makes a convincing case that social christianity was the most widespread long lasting and influential religious social reform movement in american history

walter rauschenbusch s *The Social Principles of Jesus* serves as a groundbreaking work in social gospel literature in this book rauschenbusch explores the teachings of jesus christ through a social justice lens advocating for a more just and compassionate society with a compelling mix of biblical analysis and practical application rauschenbusch highlights the importance of applying christian principles to social issues such as poverty inequality and injustice written in a clear and engaging style the book reflects rauschenbusch s deep understanding of theology and his commitment to social reform this work is a must read for those interested in the intersection of faith and social activism in the early 20th century it provides valuable insights into how christianity can be a catalyst for positive change in the world walter rauschenbusch a theologian and baptist pastor was a key figure in the social gospel movement influenced by his experiences working with impoverished communities in new york city rauschenbusch sought to apply christian ethics to address societal issues his profound knowledge of biblical texts and his passion for social justice are evident in *The Social Principles of Jesus* rauschenbusch s personal background and his dedication to advocating for the marginalized make him a compelling voice in the realm of christian social ethics i highly recommend *The Social Principles of Jesus* to readers who are interested in exploring the relationship between christianity and social justice rauschenbusch s insightful analysis and thought provoking arguments make this book a valuable resource for anyone seeking to understand the role of religion in shaping a more equitable society
