the gospel speaks to a broad range of concerns concerns that differ from person to person group to group culture to culture yet the practice of the twentieth century church has been to

concentrate on one part of the gospel repentance and justification as if it were the whole and to proclaim that part uniformly often without meaningful context that would demonstrate the relevance of christ to the hearer the gospel and its meaning breaks fresh ground for evangelism it equips the students of evangelism with theological foundations for reaching diverse groups from hindu pantheists to radical environmentalists without compromising the gospel's integrity the gospel and its meaning identifies the basic elements of the gospel shows the relationship of these elements to specific doctrines of theology identifies theologians and systems that have focused on particular doctrines shows which elements of the gospel deal most clearly with various issues of evangelism suggests avenues of ministry that can address each evangelistic issue by showing how different parts of the gospel address the concerns of people within and without the judeo christian worldview the gospel and its meaning helps those in any kind of evangelistic ministry to develop a means for connecting the gospel directly to the world of the hearer while distinguishing it clearly from philosophies of relativism and pluralism

c s lewis famously penned the phrase god in the dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before god while we moderns have placed god there before us but what if what god s love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of adam and eve and what if it is also the

case that the gospel is often in the dock as though it is not good even for the church this book builds upon and expands the life and death stakes lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with god with our own selves with one another and even with the natural world itself which we are meant to steward for its good in these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways

the book of psalms is one of the most frequently cited books in the new testament the synoptic evangelists seem to read the psalms not primarily as prayers but as prophecies of the future they discovered in its language prophecies concerning the life and ministry of jesus and attempted to show how jesus life was prefigured in the psalms samuel subramanian examines the topic within the broader use of the old testament in the new testament that of the prophetic reading of the psalms in the synoptic gospels and in the context of second temple judaism although others have treated individual psalm quotations as prophecy my work is the first to examine all of the psalm quotations within the synoptic gospels in this light and the first to demonstrate that these excerpts were used prophetically in some cases these psalm quotations were used by the synoptic evangelists in a manner that is thought to fulfill a prophecy from or about jesus within the gospel narratives even though this particular use of the psalms by the synoptic evangelists has not been widely recognized previously this study shows how similar exegetical techniques of looking for prophecies in the psalms was practiced by non christian jews of the period

this fresh look at the gospel of matthew highlights the unique contribution that matthew s rich and multilayered portrait of jesus makes to understanding the connection between the old and new testaments patrick schreiner argues that matthew obeyed the great commission by acting as scribe to his teacher jesus in order to share jesus s life and work with the world thereby making disciples of future generations the first gospel presents jesus s life as the fulfillment of the old testament story of israel and shows how jesus brings new life in the new testament
