do the same work they do i believe the time has come for each office to go back to the place of making disciples and he himself gave some to be apostles some prophets some evangelists and some pastors and teachers for the equipping of the saints for the work of ministry for the edifying of the body of christ ephesians 4 11 12 nkjv we have been praying and asking god for revival and i see god bringing revival in the teaching ministry meaning the spirit of god is stirring us up to teach more as opposed to preaching with the fresh wind of god blowing i felt the burden and pull to teach and equip those who are called for the ministry of evangelism by way of this book i pray that this book will spark a fresh fire for evangelism in the spirit and heart of the one reading it in jesus mighty name i pray that you will be fully equipped and receive the desire to equip others to do the work of an evangelist this workshop book is written to give you some guidelines that will help you to start well you can also use it to equip your team if you have one i have underlined some key words or points to help you remember them when using the book as a workshop tool the underlined sections will help you to interact with those you are teaching by asking them to write the keywords down as you give them later you can ask them to read to you repeating the key points and ask you questions this will help you to stay in the teaching mode instead of preaching apostle claire revealed

evangelism has entered a new day from the 1980s to the present a vast array of new forms of evangelism have emerged shaped and informed by theological reflection on the good news of jesus christ and the mission of god rejecting the reduced and formulaic forms of evangelism typical of most of the twentieth century these newer approaches speak more of the reign and love of god relationship and community and both personal and social transformation they are very diverse but each has something to contribute to how we understand and practice evangelism this book is a doorway into these

theologies of evangelism and their fresh and dynamic ways of sharing the good news

the publication of william j abraham s the logic of evangelism in 1989 marked a turning point in the field and practice of evangelism almost thirty years later the book still provokes discussion as it stimulates both theorists and practitioners to comprehend evangelism as initiation into god s reign combining theological insight and historical analysis abraham s groundbreaking work remains the primary text to set the stage for how evangelism may be conceived in these timely essays written by both theologians and church leaders the logic of evangelism revisited takes a critical and yet appreciative look into the ways abraham s work still speaks to the church in today s world the authors coming from a wide array of backgrounds show how the logic of evangelism remains a key text into the twenty first century
