the my first f l y g h t student success workbook is the perfect companion to my first f l y g h t the ultimate guide for first year college students to achieve personal growth and academic success this workbook is packed with interactive exercises reflection prompts and practical tools that empowers first year students to confidently navigate the transition from high school to college designed to help you build essential skills overcome challenges and unlock your full potential this resource is your ultimate guide to soaring to new heights in your academic and personal journey

this book is essential for academics that enter the field of higher education and training as it focuses on preparing teachers and trainers to respond appropriately to student success challenges student success is a burning issue both globally and locally while student achievement is determined by a combination of factors teachers and their teaching practices do matter higher education teachers are expected to fulfil different roles at different times such as planning for curriculum implementation mentorship and coaching facilitating learning resource development and student assessment against this background the primary purpose of empowering novice academics for student success wearing different hats is building the capacity of novice teachers and trainers to play an influential role in increasing student success throughput

while both committed to providing effective programs and services that help students succeed in college and beyond and aware of the increasing demands from internal and external stakeholders that every dollar spent benefits students and contributes to the mission of higher education student affairs professionals have little guidance about how to create and sustain the culture of assessment to achieve these goals this book provides the practical directions for embedding assessment in the fabric of practice the authors in this volume all experienced senior level leaders who have established programs that exemplify a culture of evidence based practice identify and explicate ten tenets of practice for leading and implementing a culture of change committed to student learning and sound assessment methods grounded in assessment literature the tenets are 1 understand the why of assessment 2 commit to student learning as a primary focus 3 lay the foundation for a sustainable assessment culture 4 develop strategies to engage staff in a commitment to assessment 5 provide recognition and accountability structures 6 reaffirm the importance of assessment to anchor cultural change 7 develop sound assessment plans 8 connect assessment plans to divisional and institutional strategic plans 9 determine the appropriate methods for assessing programs and services 10 market data to leverage buy in and promote utility to the campus community the basic premise of this book is that the senior student affairs officer must be the primary leader and spokesperson for this effort both in setting the tone and keeping all members of the team accountable for implementation and the commitment of their units the book opens with an overview of history and purpose and language of assessment relates it to the educational mission of student affairs and outlines the four elements necessary to start a culture of assessment commitment connection consistency and communication in addressing the role of the senior student affairs officer subsequent chapters address the process of gaining buy in and the importance understanding the unique culture of the institution provide guidance on creating an environment of trust accountability and transparency and describe how to lay the foundations to sustainability through consistency and strong interpersonal and collaborative relationships among the staff the book concludes by summarizing the essential assessment practices and tools that senior leaders need to be aware of providing examples of assessment cycle templates that can be applied across departments and outlining how to establish a strategic plan aligned with institutional mission that is linear predictable and consistent and aligned with institutional mission as well as communicating results both externally and internally for the purposes of improvement

the preparation for a career in education and training cuts into all three categories of knowledge cognitive affective and psychomotor and all four dimensions of competence the implication is that effective teaching requires not only theoretical knowledge but also practical abilities that include a range of instructional skills and techniques the workbook therefore contains a number of activities intended to promote professional competence the types of activities vary they are used to stimulate thinking promoting reflective practice and provide guidance in the application of knowledge as well as developing certain instructional skills note that the amount of activities included here is only scratching the surface different teaching matters should receive priority in the continuous professional development cpd of academic staff readers may perceive some of the activities as challenging or find it difficult to relate to that owing to being novices in higher education teaching and learning in view of this the reading includes comments on each activity activity solutions as well as comments on the reflection activities as a further attempt at supporting and enhancing the professional development of novice teachers the workbook includes reading on aspects of resource design for learning enhancement since this particular topic involves many technical aspects it is presented separately from the content in the textbook and is regarded as an enrichment opportunity

the student internship success workbook is for college student interns and student employees this workbook provides lessons and reflection activities centered on personal foundations professionalism communication skills career readiness this workbook is a comprehensive resource for students enrolled in college success programs to support historically underrepresented students such as trio gear up educational opportunity programs among others the student internship success workbook is a 16 week personal and professional development curriculum for student interns this workbook provides students with new content to grow their capacities as a student and professional in order to strengthen their practice of habits that will provide the foundation for their success in the years to come these weekly lessons also provide rich content for supervisors and students to engage with in order to supplement their contributions to your organization a complete listing of weekly activities included in the workbook are listed below the workbook is built in consideration of a 16 week college semester and can be adapted to meet the pace of your internship program making the most of your internship experience pre internship student activities week 1 professionalism and work ethic week 2 time management week 3 communication styles week 4 working with people of different view points week 5 building and maintaining professional relationships week 6 networking week 7 stress management week 8 receiving and processing feedback week 9 documenting your professional accomplishments week 10 developing your vision statement week 11 your personal brand statement week 12 crafting your elevator speech week 13 writing your career goal statement week 14 communicating your experience and next steps week 15 transitioning from internship week 16 letters of recommendation and cover letters post internship student activities
