this book offers insights from a seven-year study into the impact of english as an international language at a national level. from the effect of rich english input on a previously monolingual people's linguistic repertoire to its effect on the situated language use demanded of speakers who find themselves in a new linguistic environment for which they have not been prepared, the changes described in the book have occurred in a speech community that identifies strongly with the local language but finds itself increasingly having to use another language to perform daily functions in education and work. findings describe how the official language and educational policies have not addressed this new linguistic ecology of iceland. the findings of these studies have larger international, practical, educational, empirical, and theoretical implications and should be relevant to anyone interested in the impact of english as an international language.

this book incisively presents recent research in the area of language development and relates those findings to practices that parents and teachers can implement at home and in classrooms with their own children. and students' critical area as language as the basis for more complex reading.

solid vocabulary knowledge not only prepares fourth graders for academic success, it makes them stronger readers. the teacher-reviewed curriculum-based activities and exercises in this workbook will help your children catch up, keep up, and get ahead. best of all, they'll have lots of fun doing it. some of the great features you'll find inside are: tic-tac-toe helps kids distinguish between synonyms and antonyms; find three synonyms or antonyms in a row and win; combo-mambo reviews word roots by having kids create all the words they can from a given root; chopping block teaches suffixes by having kids chop off the suffixes of words; homophone hopscotch shows different spellings of homophones by having kids fill in hopscotch boards with homophones of the same word; plus, check-it strips reinforce concepts and build confidence as kids check their own work. give your child's grades and confidence a boost with 4th grade vocabulary success. why sylvan products work: sylvan's proven system inspires kids to learn and has helped children nationwide catch up, keep up, and get ahead in school. sylvan has been a trusted partner for parents for thirty years and has based their supplemental education success on programs developed through a focus on the highest educational standards and detailed research. sylvan's line of educational products equips families with fun, effective, and grade-appropriate learning tools. our workbooks and learning kits feature activities, stories, and games to reinforce the skills children need to develop and achieve their academic potential. students will reap the rewards of improved confidence and a newfound love of learning.
