the routledge handbook of asian linguistics provides a comprehensive overview of the ways in which asian languages should be conceptualized as a whole the distinct characteristics of each language group and the relationships and results of interactions between the languages and language families in asia asia is the largest and the most populous continent on earth and the site of many of the first civilizations this handbook aims to provide a systematic overview of asian languages in both theoretical and functional perspectives optimally combining the two in intercultural settings in other words the text will provide a reference for researchers of individual asian languages or language groups against the background of the entire range of asian languages not only does the handbook act as a reference to a particular language it also connects each language to other asian languages in the perspective of the entire asian continent cultural roles and communicative functions of language are also emphasized as an important domain where the various asian languages interact and shape each other with extensive coverage of both theoretical and applied linguistic topics the routledge handbook of asian linguistics is an indispensable resource for students and researchers working in this area

this course consists of lessons centered on an audio blog that is completely in japanese the audio blog postings take you around japan and introduce you to many different aspects of the country including culture history folklore the arts and more you will learn all about many different cities and what they are famous for along the way you ll pick up sophisticated expressions and advanced grammar in this audio blog series presented entirely in japanese the lesson

starts with the japanese blog at native speed finally practice what you have learned with the review track in the review track a native speaker will say a word or phrase from the dialogue wait three seconds and then give you the english definition say the word aloud during the pause halfway through the review track the order will be reversed the english definition will be provided first followed by a three second pause and then the word or phrase from the dialogue repeat the words and phrases you hear in the review track aloud to practice pronunciation and reinforce what you have learned

the routledge intermediate to advanced japanese reader a genre based approach to reading as a social practice is designed for intermediate to advanced learners of japanese and presents twenty five authentic texts taken from a wide range of media and literary sources which promote a deeper understanding of japan among readers the book is divided into ten genre based chapters allowing the learner to focus on the textual features relevant to that genre key features include selected texts covering topics related to japanese language society and culture encountered in the japanese media from news reports to interviews book reviews short stories and editorials word lists for challenging vocabulary and kanji provided throughout to aid comprehension and learning pre reading activities to enable familiarity with the topic the text s background and words to be encountered in the reading passages short grammar explanations of essential structures questions to help comprehension raise awareness of genre features promote critical reading and to encourage the reader to think more deeply about the content opportunities to write passages utilizing what has been learned by reading the text vocabulary and grammar lists at the back of the book the routledge intermediate to advanced japanese reader emphasizes reading as a purposeful social act which requires readers to make meaning of the text by considering the authors choices in language scripts vocabulary styles in the text the learners are guided to situate each text in society for example the author target audience social cultural background related to the subject in order to understand the social significance of reading and writing this book aims to help learners develop the ability to critically read and write in japanese for their own social purposes it is suitable for both class use and independent study

this book investigates the notion of speech act from a cross cultural perspective the starting point for this book is the assumption that speech acts are realized from culture to culture in different ways and that these differences may result in communication difficulties that range from the humorous to the serious importantly a recurring theme in this volume has to do with the need to verify the form the function and the constraining variables of speech acts as a prerequisite for

dealing with them in the classroom the book deals with three major areas of speech act research 1 methodological issues 2 speech acts in a second language and 3 applications in the first section authors discuss general issues of methodology and present data in an effort to detail the efficacy of different methodologies research clearly shows the effect of methodology on the results this section is followed by a discussion of specific speech acts including speech acts and strategy use that have as their goal the creation and maintenance of solidarity i e greetings compliments apologies and speech acts that involve face threatening acts i e complaints favor asking suggestions in the final section authors consider applications of speech act research within the context of advertising and business relationships

do you want to communicate easily and freely in japanese master japanese grammar and broaden your vocabulary with your very own japanese tutor this contemporary interactive workbook features 200 activities across a range of grammar and vocabulary points with clear goals concise explanations and real world tasks by studying and practicing japanese grammar you ll understand how the language really works and be able to speak japanese with clarity and ease what will i learn the japanese tutor grammar and vocabulary workbook covers a comprehensive range of the most useful and frequent grammar and vocabulary in japanese you can follow along unit by unit or dip in and dip out to address your weak areas as you progress you will be introduced to new vocabulary and combine it with the grammar to complete extensive exercises you will then practice the language through authentic reading and writing practice you will achieve a solid upper intermediate level of japanese grammar is this course for me the japanese tutor grammar and vocabulary workbook can be used as a standalone course or as a complement to any other japanese course it offers extensive practice and review of essential grammar points and vocabulary and skills building the personal tutor element points out exceptions and gives tips to really help you perfect your japanese what do i get this japanese workbook offers a range of clear and effective learning features 200 activities across a range of grammar and vocabulary points introduces the japanese scripts katakana hiragana and key kanji throughout unique visuals and infographics for extra context and practice personal tutor hints and tips to help you to understand language rules and culture points learn to learn section offers tips and advice on how to be a good language learner 20 short learning units each contain communication goals to guide your studies grammar explanations with extensive exercises vocabulary presentations and activities reading sections to consolidate your learning this workbook maps from novice high to advanced mid level proficiency of actfl
