voices of wisdom a multicultural philosophy reader 9e introduces readers to basic philosophical questions in ethics epistemology and metaphysics through a collection of engaging and culturally diverse readings both classic and contemporary in its approach this revised and updated ninth edition includes key texts from the buddha plato immanuel kant martin luther king jr john rawls martha nussbaum nelson mandela and others using these

landmark writings voices of wisdom a multicultural philosophy reader 9e takes readers on a multicultural journey through such topics as terrorism civil disobedience homosexuality human rights animal rights language truth and power important notice media content referenced within the product description or the product text may not be available in the ebook version

unique in its multicultural character this text includes hindu buddhist chinese african native american islamic jewish and feminist philosophies it is edited to promote a multicultural approach to philosophy to teach students how to read primary sources and to encourage students to think independently and critically about fundamental philosophical issues this anthology offers significant readings on traditional philosophical topics that educate students for the ever increasing pluralism of society and assist them in developing an international perspective

divided into eight sections each with introductory essays the selections offer rich and detailed insights into a diverse multinational philosophical landscape revealed in this pathbreaking work is the way in which traditional philosophical issues related to ethics metaphysics and epistemology for instance take on specific forms in africa s postcolonial struggles much of its moral political and social philosophy is concerned with the turbulent processes of embracing modern identities while protecting ancient cultures

the most comprehensive anthology of feminist philosophy available this first edition reader brings together over 55 of the most influential and time tested works to have been published in the field of feminist philosophy featuring perspectives from across the philosophical spectrum and from an array of different cultural vantage points it displays the incredible range diversity and depth of feminist writing on fundamental issues from the early second wave to the present

this is a collection of essays that address epistemological and metaphysical concerns that have emerged from the sub saharan regions of africa the focus of the book is on traditional african conceptions of mind person personal identity truth knowledge understanding objectivity and reality

ways of being in the world is an anthology of the indigenous philosophical thought of communities across turtle island offering readings on a variety of topics spanning many times and geographic locations it was created especially to meet the needs of instructors who want to add indigenous philosophy to their courses but are unsure where to begin as

well as for students indigenous or otherwise who wish to broaden their horizons with materials not found in the typical philosophy course this collection is an invitation to embark on a relationship with indigenous peoples through the introduction of their unique philosophies

covers topics in philosophy psychology and scientific methods vols 31 include a bibliography of philosophy 1933

how should pragmatists respond to and contribute to the resolution of one of america s greatest and most enduring problems given that the most important thinkers of the pragmatist movement charles s peirce william james john dewey and george herbert mead said little about the problem of race how does their distinctly american way of thinking confront the hardship and brutality that characterizes the experience of many african americans in this country in 12 thoughtful and provocative essays contemporary american pragmatists connect ideas with action and theory with practice to come to terms with this seemingly intractable problem exploring themes such as racism and social change the value of the concept of race the role of education in ameliorating racism and the place of democracy in dealing with the tragedy of race the voices gathered in this volume consider how pragmatism can focus new attention on the problem of race contributors are michael eldridge eddie s glauco jr judith m green d micah hester donald f koch bill e lawson david e mcclean gregory f pappas scott l pratt alfred e prettyman john r shook paul c taylor and cornel west

various philosophers have used the image of a game as a metaphor to better interpret and deal with the world in the game of philosophy william c soderberg introduces the reader to the search for fairness in this game a search that has been one of the main goals of moral and political philosophy soderberg examines the debate over the definition of a fair social game from various traditions and perspectives such as european anglo american african american multi cultural and feminist the debate between liberals and communitarians is a central theme of the moral and political philosophy section and soderberg explores the roots of this debate in the sections on metaphysics epistemology and philosophy of religion in metaphysics and philosophy of religion soderberg presents both practical and speculative approaches and he traces the emergence of anti foundationalism in various epistemological traditions a marvelous foundation text this book will be of great value to beginning

philosophers

first published in 1992 this anthology quickly became the standard for multicultural introductions to philosophy composed of a group of culturally diverse readings addressing a selection of seminal philosophical questions in ethics epistemology and metaphysics voices of wisdom introduces students to the traditional terrain of philosophy as developed in the european tradition yet in a manner that embraces significant philosophical insights borne out of different cultural legacies

this comprehensive encyclopedia discusses important terms movements leaders landmarks controversies and events that illuminate the belief systems of the american people it also offers insight into the increasingly international influences that undergird or are cross pollinating current ethical opinions the volume includes cross references a glossary an extensive bibliography and a subject index this book will be especially useful to all readers striving to analyze the values and ethics that remain important to understanding our neighbors and our society

using romantic theories caton analyzes america s contemporary novel organized through the two sections of theory and practice reading american novels and multicultural aesthetics begins with a study of aesthetic form only to have it reveal the content of politics and history this presentation immediately offers a unified platform for an interchange between multiple cultural and aesthetic positions romantic theory provides for an integrated examination of diversity one that metaphorically fosters a solid inclusive and democratic legitimacy for intercultural communication this politically astute cosmopolitan appreciation will generate an intriguing cross over audience from ethnic studies to american studies and from literary studies to romantic studies this book will interest a range of readers
